BETWEEN: **THE PACIFIC NATIONAL EXHIBITION**
(hereinafter called “the Employer”)

PARTY OF THE FIRST PART

AND: **THE CANADIAN UNION OF PUBLIC
EMPLOYEES, LOCAL 1004**
(hereinafter called “the Union”)

PARTY OF THE SECOND PART

WHEREAS:

The Exhibition is an “employer” within the meaning of the Labour Relations Code of B.C., the Union is the certified bargaining agent for the employees of the Employer working at Exhibition Park, Vancouver, B.C., except those employees excluded by the Code and those employees covered by the bargaining units for which the IBEW Local 213, the IUOE Local 882, and IATSE Local 118 have been certified, and the parties have carried on collective bargaining pursuant to the Code and have reached a Collective Agreement, as hereinafter expressed;

THE PARTIES AGREE AS FOLLOWS:

ARTICLE 1.00 TERM OF AGREEMENT

1.00.1 **This Agreement shall remain in force and effect for January 1, 2014 up to and including December 31, 2016.**

1.00.2 Should either party, within four (4) months immediately preceding the date of expiry of this Agreement, by written notice, require the other party to commence collective bargaining, or should the parties be deemed to have given such notice under the Labour Relations Code, this Agreement shall continue in full force and effect, and neither party shall make any change or alter the terms of this Agreement until:

- a) the Union commences a lawful strike pursuant to the Labour Relations Code, or
- b) the Employer commences a lawful lock-out pursuant to the Labour Relations Code, or
- c) the Parties have concluded a renewal or revision of this Agreement or have entered into a new collective agreement, whichever occurs first.

1.1.3 Subsections (2) and (3) of Section 50 of the Labour Relations Code are excluded from and are not applicable to this Agreement.

ARTICLE 2.00 DEFINITIONS

2.00.1 “**Regular full-time employee**” is an employee who works regularly scheduled full-time shifts of thirty-five (35), thirty-eight (38) or forty (40) hours per week as the normal full-time hours for that regular full-time employee’s classification.

2.00.4 “**Casual employee**” is an employee who is employed to supplement the regular work force on a full-time or part-time basis, and who is employed for a specified length of time at the time of hiring, which specified length of time may be extended or shortened by circumstances which could not be foreseen at the time of hiring.

- a) A casual employee who works a total of one thousand and forty-four (1,044) straight time hours during any fifteen (15) consecutive month period, in a position where the regularly scheduled full-time hours are forty (40) per

- d) Effective on the date a casual employee attains regular full-time employee status under subsections (a) or (b), their seniority date shall be established six (6) months retroactively.

2.00.5 “**Regular work force or Regular employee**” is the Employer’s complement of regular full-time employees and regular part-time employees.

2.00.6 “**Playland Operations operating season**” is that period of time when the Playland Operations is open to the public. Without limiting the Division’s ability to open to the public at other times, its operating season normally commences at the normal start of Spring Break in Vancouver schools or three (3) weeks prior to Easter, whichever occurs first, and ends up to two (2) weeks following Thanksgiving. When the Division opens to the public at other times, it shall notify the Union as far in advance of such openings as possible to permit opportunity for the parties to discuss the terms and conditions of employment to apply to those seasonal employees to be employed during such opening.

2.00.7 “**Fair-time employee**” is a PNE Operation employee who is employed in any classification, for any number of shifts or hours, during the Fair Period. The

(See Letter of Understanding #12 regarding Articles 2.00.8 (b) and (c))

- a) The period of time beginning two (2) weeks prior to the opening day of the annual Fair and ending two (2) weeks after the closing day of the Annual Fair. - b) The Fair Period also includes any festival, fair or other multi-day event produced by the Employer during the remainder of the year provided such festival, fair or other multi-day event is at least one (1) week or longer duration, including a set-up period not to exceed four (4) working days in duration before the opening day of such festival, fair or event and a tear-down period not to exceed four (4) working days after the closing day of such festival, fair or other multi-day event.
- c) Laid off regular full-time employees shall be offered available work at any festival, fair or other multi-day event under this subsection (b), before fair-time employees and/or seasonal Playland employees are employed, provided that the laid-off employees shall be paid the applicable fair-time rates should they accept such work. Additional fair period events under subsection (b) shall not be covered by the present practice of vacation blackouts. Weekend premiums shall apply during such events unless the parties mutually agree otherwise. Work that would normally be performed by regular full-time employees during the period when such events are held shall continue to be performed and the regular full-time rate shall continue to apply to such work.”

ARTICLE 3.00 UNION SECURITY

3.01 Exclusive Bargaining Authority

3.01.1 The Employer recognizes the Union as the sole and exclusive bargaining agency for all its employees, except those excluded by the Labour Relations Code of B.C., and those covered by the bargaining units for which the IBEW Local 213, IUOE Local 882, and IATSE Local 118 have been certified.

3.02 Union Membership

3.02.1 All employees shall become members of the Union and shall remain members in good standing, as a condition of employment. 3.06.2 The above notwithstanding, the Playland Operations may continue to enter into contracts of the type it has typically entered into on a historical basis.

3.07 Information to the Union

3.07.1 The Employer shall supply the Union with the names, **email addresses (if available)** and addresses of all bargaining unit employees, twice per year. Seasonal and Fair-time employees shall be recorded on a separate list.

3.08.2 If employees are deprived of employment by the implementation of any such change, they shall receive priority consideration for other employment with the Employer.

3.08.3 The Union's representations to the Board under this section (3.08) shall be made without undue delay.

ARTICLE 4.00 MANAGEMENT RIGHTS

4.00.1 Any rights of management, which are not specifically mentioned in this Agreement and which are not contrary to its intention, shall continue in full force and effect for the term of this Agreement.

5.00.3 The Committee shall have no authority to vary the terms of this Agreement or in any other way act as a bargaining committee. The Committee shall not have authority to deal with any matter that is the subject of an active grievance under article 6.00. The Minutes of Committee meetings shall be forwarded to the Board of Directors of the Employer, for their information, and shall be posted in the work areas for the information of the employees.

ARTICLE 6.00 GRIEVANCE AND ARBITRATION PROCEDURES

6.01 Definition of Grievance

6.01.1 For purposes of this Agreement, a grievance is defined as any difference concerning the dismissal, discipline or suspension of an employee, or any difference concerning the interpretation, application, operation or any alleged violation of this Agreement, including any question as to whether any matter is arbitrable, or any other dispute as defined in the Labour Relations Code of B.C.

6.01.2 All grievances arising during the term of this Agreement shall be finally and conclusively settled using the following procedures, without a stoppage of work.

6.02 Grievance Procedure

6.02.1 **Step 1:** Within ten (10) calendar days of the incident giving rise to the grievance, or within ten (10) calendar days after the grievor, the shop steward or the Union first became aware of such incident, the grievor, the shop steward or other representative of the Union shall present the grievance, in writing, to the applicable non-union supervisor. When the applicable non-union supervisor is absent, the grievance shall be presented to the applicable Department Head. The grievor shall be in attendance when the grievance is

presented at this Step. When a Step 1 grievance has been referred to the Department Head, Step 2 of the grievance procedure shall not apply to that grievance. The Union shall forward a copy of all Step 1 grievances to the Director Human Resources.

6.02.2 **Step 2:** When the grievance is not settled within seven (7) calendar days of being presented at Step 1, or when the applicable supervisor has stated that the matter is beyond his/her authority, the shop steward or other representative of the Union shall present the grievance to the applicable Department Head. The grievor shall be in attendance when the grievance is presented at this Step.

6.02.3 **Step 3:** When the grievance is not settled within seven (7) calendar days of being presented to the Department Head at Step 2, or when the Department Head has stated that the matter is beyond his/her authority, the Union's Chief Shop Steward or the Union's Business Agent shall present the grievance to the Director Human Resources.

6.02.4 **Step 4:** When the grievance is not settled within seven (7) calendar days of being presented to the Director Human Resources under Step 3, the Union's Chief Shop Steward or the Union's Business Agent shall, within a further seven (7) calendar days, present the grievance to the General Manager, or designate. The Director Human Resources shall be in attendance when the grievance is presented at this Step.

6.02.5 **Step 5:** When the grievance is not settled within seven (7) calendar days of being presented to the General Manager, or designate at Step 4, either party may submit the grievance to Arbitration for final resolution.

6.03 **Employer Grievances**

6.03.1 Should the Employer wish to submit a grievance under this Agreement, it shall forward same to the Secretary of the Union, in writing. The Union's Business Agent and the Director Human Resources shall meet to discuss Employer grievances within seven (7) calendar days, after the grievance has been received by the Union.

6.03.2 If an Employer grievance is not settled within seven (7) calendar days after the first meeting referred to above, it may be submitted to arbitration by either party for final resolution.

6.04 **Arbitration Procedures**

6.04.1 When a grievance is submitted to arbitration under this Agreement, it shall be adjudicated by a Board of Arbitration consisting of three (3) members, one (1) member appointed by the Employer, one (1) member appointed by the Union and the third member, who shall be the chairperson of the Board, selected by the two (2) members so appointed.

6.04.2 The parties shall each appoint their representatives to the Board of Arbitration within fourteen (14) calendar days after the grievance has been referred to arbitration. The two (2) members so appointed shall select a mutually acceptable Chairperson within fourteen (14) calendar days, after they have both been appointed. Should either party fail to appoint its member to the Board, or should the members so appointed fail to agree on a Chairperson, within the prescribed time limits, either party may apply to the Minister of Labour to have such member or the Chairperson appointed, as the case may be.

6.04.3 The decision of the Arbitration Board shall be final and binding upon both the parties.

6.04.4 Each party shall bear the fees and expenses of the member it has appointed to the Board, plus (+) one half (1/2) of the fees and expenses of the Chairperson.

6.05 **Expedited Arbitration**

6.05.1 As an alternative to arbitration under section 6.04, the parties may mutually agree, on a case by case basis, to refer any grievance to expedited arbitration under this section.

6.05.2 Expedited arbitration decisions shall be limited in application to each particular dispute and are without prejudice. Such decisions shall have no precedent value and

shall not be referred to by either party in any subsequent proceeding. Expedited arbitration decisions shall be rendered verbally to parties within five (5) calendar days of the hearing and confirmed in writing, with a brief statement of reasons.

6.05.3 The parties shall mutually agree on an expedited arbitrator.

6.05.4 The parties shall equally share the costs of the fees and expenses of the expedited arbitrator. The expedited arbitrator shall have the same powers and authority as an arbitration board established under this article.

As the process is intended to be non-legal, lawyers will not be used to represent either party at expedited arbitration. The hearing will be conducted in an informal manner with limited objections by the parties and without concern for procedural irregularities.

6.05.6 A brief of pertinent documents and a statement of agreed upon facts shall be jointly presented to the expedited arbitrator.

6.05.7 All presentations shall be short and concise and are to include a comprehensive opening statement. The parties agree to make limited use of authorities during their presentations. Responses to opening statements shall cover any facts that are in dispute and any additional facts available. Argument will be presented only to points in issue.

6.05.8 Expedited arbitration decisions shall be final and binding upon the parties and shall not be subject to appeal of any kind.

6.06 Time Limits

8.02 Factors to be Considered when Filling Posted Vacancies

9.04.6 Operational requirements permitting, the Employer shall not assign work from one classification to another when there are regular full-time employees capable of performing such work on the recall list as a result of layoff from the first classification. This section shall not apply:

- a) in emergency situations, or
- b) when the laid off regular full-time employee would be required for less than four (4) hours, or
- c) the Employer is not aware of such work sufficiently in advance (i.e. at least 48 hours in advance) so that the laid off regular full-time employee can be contacted and report for work, without the progress of the job being delayed.

9.04.7

- a) The Employer shall offer available work on a casual basis to laid off regular full-time employees on the recall list, on the basis of their seniority, before it offers such work to regular part-time employees, Playland casual employees or seasonal employees. Such offers may be declined, without penalty. Laid off Regular employees on the recall list shall be offered available work on a casual

basis within lower classifications, provided they are qualified to perform such work.

- b) The Employer shall offer available work on a casual basis to laid off regular full-time Playland Operations employees on the recall list, on the basis of their seniority, before it offers such work to casual employees or seasonal employees. Such offers may be declined, without penalty. Laid off Regular employees on the recall list shall be offered available work on a casual basis within lower classifications, provided they are qualified to perform such work.

9.05.3

- a) The Employer shall specify the time the recalled Regular employee is to report for work.

(48) hours after being contacted by the Employer, or who fail to report for work at the time specified by the Employer, shall have their names removed from the recall list.

- c) i) Regular employees, who have sufficient reasons for not responding within forty-eight (48) hours after being contacted by the Employer, or who have sufficient reasons for not reporting for work at the time specified by the Employer, shall, on the first occasion they are offered a recall, be bypassed and they shall maintain their position on the seniority list for future recall purposes.
- ii) Regular employees who do not respond within forty-eight (48) hours after being contacted by the Employer on two (2) occasions, or do not report for work at the time specified by the Employer on two (2) occasions, shall be placed at the bottom of the recall list for future recall purposes. For purposes of this subsection, repeated contact of a Regular employee by the Employer for the same recall (i.e. for the particular work of project for which the recall was initiated) shall not be considered as separate occasions for that Regular employee.
- iii) If a Regular employee is unable to accept a recall under this section because he/she is legitimately sick or disabled and the Regular employee consequently becomes medically fit to perform the work in question, before such work has been completed, the Regular employee shall be permitted to exercise his/her seniority and displace another Regular employee in the position to which he/she would have been recalled had he/she not been sick or disabled, provided there is no additional cost of any kind to the Employer as a result of such displacement.

9.05.4 Laid off Regular employees on the recall list and seasonal employees, who have attained seasonal seniority and who are laid off at the end of an operating season are required to keep the Human Resources Department informed

of their current addresses and phone numbers. The Employer shall be deemed to have met its recall obligations under this Agreement by attempting to contact the regular employee it is seeking to recall, at their last known address on file.

9.05.5 The Employer reserves the right to hire other than a laid off Regular employee from the recall list when:

- a) it has been unable to contact a laid off Regular employee in accordance with the above subsections, or

- a) The Employer shall provide retraining of up to four (4) days or five (5) days or a maximum of thirty-five (35) hours, thirty-eight (38) hours or forty (40) hours, as applicable, whichever is the lesser, when requested by regular full-time employees who are to be laid off, if it can be reasonably anticipated their layoff will extend for thirteen (13) consecutive weeks or longer.
- b) The purpose of this training is to enable such regular full-time employees to exercise their bumping rights under section 9.03 when they are not otherwise able to do so. Eligible regular full-time employees who have been on the recall list for thirteen (13) consecutive weeks or longer, without being recalled, shall be eligible for this training at the end of such period to enable them to bump into regular full-time work at that time, provided there is no retroactive effect of so doing.
- c) In order to be eligible for retraining under this provision, a regular full-time employee must have at least ten (10) years seniority, he/she must not otherwise be eligible to bump without the retraining, and he/she must presently have sufficient skills, knowledge and ability so that it is reasonable to expect that he/she will satisfactorily perform the duties of the new position after the training has been completed

- d) Section 9.03 notwithstanding, regular full-time employees covered by this section shall be permitted to bump laterally within their own department. Should the Employer change its organizational structure such that lateral bumping rights granted under this subsection are materially affected, the parties shall meet, at the request of the Union, to discuss such effects.

When the Employer wishes to do so, it shall utilize volunteers, if any, from among the willing to do from among those regular full-time clerical employees having the skills, knowledge and abilities to perform the work in question. The Employer may

These mutually acceptable arrangements shall be put into writing and signed by Employer, the Union and the clerical employee(s) involved. It is understood that regular full-time clerical employees working extended hours under this subsection shall not be eligible to receive the one half (1/2) hour banked time for each hour work set out in section 10.02(a).

10.03 **Compressed Work Week – PNE Operation**

10.03.1 This article establishes a compressed work week for regular full-time PNE Operation outside employees working in Site Maintenance. The terms and conditions of the Agreement shall be superseded, where applicable, by this article. Should any conflict arise between this article and other articles of this Agreement, this article shall take precedence.

10.03.2 All regular full-time PNE Operation outside employees working in Site Maintenance shall work a compressed work week comprising of four (4) consecutive days per week and nine and one half (9.5) consecutive hours per day, at regular straight time rate of pay. Work in excess of nine and one half (9.5) hours per day or thirty-eight (38) hours per week shall be paid at double time (2X) overtime rate of pay. The parties may also mutually agree that other PNE Operations employees, except clerical employees are to work nine and one half (9.5) hour shifts.

10.03.3 The following three (3) compressed work week shift schedules shall be established:

- Schedule 1 - Monday through Thursday, inclusive
- Schedule 2 - Tuesday through Friday, inclusive
- Schedule 3 - Friday through Monday, inclusive

10.03.4 The Employer shall establish the number of regular full-time employees it requires to work, by classification, on each of the above schedules, after which regular full-time employees shall “sign up” in seniority order for the positions so designated. “Sign ups” will apply for a three (3) calendar month period.

10.03.5 Regular full-time employees covered by this article shall be scheduled to work on day shifts, afternoon shifts, and/or night shifts within their applicable schedule. Operational requirements permitting, the Employer shall endeavour to perform as much work as practicable on day shift. When operational requirements necessitate the utilization of an afternoon and/or a night shift, the Employer shall first seek volunteers to staff such shift(s), after which the balance of regular full-time employees required shall be assigned, by classification, in reverse order of their seniority.

10.03.6 For purpose of this article, day shift shall be defined as nine and one half (9.5) consecutive hours worked between 7:00 a.m. and 5:00 p.m., inclusive of a one half (1/2) hour unpaid meal break. Afternoon shift shall be defined as nine and one half (9.5) consecutive hours worked between 1:00 p.m. and the succeeding 11:00 p.m., inclusive of a one half (1/2) hour unpaid meal break. Night shift shall be defined as nine and one half (9.5) consecutive hours worked between 11:30 p.m. and the succeeding 9:30 a.m., inclusive of a one half (1/2) hour unpaid meal break. The above notwithstanding, the shift starting and stopping times for Coliseum regular full-time employees, on the compressed work week, shall be arranged so as to best meet operational requirements.

10.03.7 Regular full-time employee covered by this article shall be paid a shift differential of seven per cent (7%), calculated on their normal classification rate of pay for all time worked on afternoon shift, as defined above, including weekends; and nine per cent (9%), calculated on their normal classification rate of pay for all time worked on night shift, as defined above, including weekends. When the Employer

schedules a regular full-time employee to work at a time which falls within two (2) shifts, as defined above, it shall pay the higher shift differential for all hours such regular full-time employee actually works. Shift differentials shall not be included when calculating overtime rate of pay, except when such overtime immediately precedes or immediately follows the completion of a regular full-time employee's regularly scheduled shift, for which the regular full-time employee was paid shift differential.

10.03.8 Regular full-time employees covered by this article shall be paid a weekend premium of two dollars and fifty cents (\$2.50) per hour for all time worked on Saturday and Sundays (i.e. between 11:30 p.m. on Friday and 11:30 p.m. on Sunday, inclusive). Weekend premium shall not be paid when a regular full-time employee, covered by this Letter, works overtime on a weekend, as defined above, except when such overtime immediately precedes or immediately follows the completion of that regular full-time employee's regularly scheduled shift on the weekend for which the regular full-time employee was paid weekend premium.

10.03.9 The Employer may employ casual employees to supplement its regular crews, rather than incurring overtime. Casual employees shall be eligible for the shift differentials set out above for time worked between the hours of 5:00 p.m. and 7:00 a.m., including weekends. In addition, casual employees who replace regular full-time employees, who were previously scheduled to work on a weekend, as defined above, shall be eligible for weekend premium, provided the regularly scheduled regular full-time employee would have received such premium had he/she not been so absent.

10.03.10 The Employer may temporarily change a compressed work week regular full-time employees schedule and/or shift, provided it gives the affected regular full-time employee at least seventy-two (72) hours' notice of such change, and there is not less than ten (10) hours clear between the time the regular full-time employee finishes

work on one shift and commences work on the next. When less than seventy-two (72) hours' notice is provided or there is less than ten (10) hours clear between the shifts, double time (2X) shall be paid until those time limits are reached, provided that no premium pay shall be required when a notice of schedule/shift change is cancelled before the regular full-time employee commences work on the new shift.

10.03.11 Regular full-time employees may decline to accept a change in the starting time of their shift under the above section twice (2X) in any calendar year, provided operational requirements permit and there are no increased costs of any kind to the Employer as a result. In order to decline a change in the starting time of a shift under this section, a regular full-time employee must indicate that he/she is declining, at the time he/she is notified of the change by the Employer. When a regular full-time employee declines a shift change under this section, with a result that another regular full-time employee is required to work that shift, the Employer shall not be required to offer such other regular full-time employee seventy-two (72) hour notice of shift change. If no replacement, satisfactory to the Employer, can be found to work the shift in question, the junior regular full-time employee with the skill, knowledge and ability shall be required to work. No more than two (2) regular full-time employees on any shift may decline a change in starting times under this section.

10.03.12 Regular full-time employee and casual employees working on the compressed work week shall receive a one half (1/2) hour unpaid lunch break, plus two (2) twenty (20) minute rest periods during each nine and one half (9.5) hour shift.

10.03.13 During the Fair Period, the Employer may amend the normal starting and stopping times of the afternoon shifts and night shifts, so as to best meet its operational requirements. Once such shift times have been established, they shall remain in effect for the whole Fair Period, unless

the Union agrees to a change. The applicable shift differentials shall be based upon such altered starting and stopping times during the Fair Period. During the Fair Period, all overtime work shall be calculated at the shift rate of pay, however the weekend premium shall not apply.

10.03.14 Benefits under the collective agreement, for regular full-time employees on the compressed work week, shall be converted as follows:

- a) Statutory holidays: regular full-time employees, on the compressed work week who do not work on a statutory holiday, shall be eligible to receive nine and one half (9.5) hours pay for each such holiday under the terms of the Agreement, provided that, when regular full-time employees on the compressed work week actually work on a statutory holiday, they shall be paid time and one half (1½ X).
- b) Sick Leave: each compressed work week regular full-time employee shall receive his/her sick leave entitlement on the basis of nine and one half (9.5) hours per day (i.e. 95 hrs. per year), however any sick leave accrual granted and/or banked prior to this date shall be on the basis of eight (8) hours per day.
- c) Sickness and Accident Insurance Plan: Regular full-time employees, on compressed work week, must apply for insurance under this plan after two (2) days on paid sick leave (i.e. after 19 hrs.)
- d) Compassionate Leave: Regular full-time employees, on the compressed work week, shall receive these benefits on the basis of nine and one half (9.5) hours per day or 38 hour work week.
- e) Other benefits: all other benefits under the Agreement related to time shall be equated to nine and one half (9.5) hours for each day or thirty-eight (38) hours per week for regular full-time employees on the compressed work week.

10.03.15 The following interpretations apply to the application of section 10.03.10 above:

- a) i) No overtime or other penalties shall be incurred by the Employer when a regular full-time employee's shift schedule is changed as either a direct or an indirect result of the layoff and/or recall of regular full-time employees during any three month sign-up period.
- ii) In this regard, the Employer has the right to place recalled regular full-time employees, or other employees affected by a layoff and/or recall, on any of the three established nine and a half (9.5) hour shift schedules (1, 2 or 3), until the end of the current three month sign-up period. Should the Employer wish to further change such regular full-time employee's shift or schedule during the remainder of the sign-up period, it may do so, without incurring overtime or other penalties, provided it gives the regular full-time employee at least seventy-two (72) hours' notice and at least ten (10) clear hours off between shifts.
- b) No overtime or other penalties shall be incurred by the Employer when a regular full-time employee's shift schedule is changed as either a direct or an indirect result of the promotion or acceptance of a posting by that regular full-time employee or another employee, including temporary promotions and/or temporary postings.
- c) No overtime or other penalties shall be incurred by the Employer when a regular full-time employee's shift schedule is changed as either a direct or an indirect result of unexpected changes in personnel requirements on large projects (e.g. main gate project or Japanese garden project).
- d) No overtime or other penalties shall be incurred by the Employer when a regular full-time employee's shift schedule is changed as either a direct or an indirect result

of unexpected changes in the Employer's personnel requirements, reasonably beyond the Employer's control, provided the Union agrees that no overtime is to be paid in the circumstances, which agreement shall not be unreasonably denied.

- e) No overtime or other penalties shall be incurred by the Employer when a regular full-time employee's shift schedule changes as either a direct or an indirect result of a new three month sign-up.
- f) The Employer has the right to change a regular full-time employee's shift starting times, within his/her established shift schedule, without incurring overtime or other penalties, provided it gives such regular full-time employee at least seventy-two (72) hours' notice and at least ten (10) clear hours off between shifts.
- g) The Employer shall incur some overtime costs when it changes a regular full-time employee's shift schedule during any three month sign-up period, even though it has provided seventy-two (72) hours' notice of such change and ten (10) hours clear between shifts.
 - i) In such cases, overtime will be limited to the first (1st) shift of the regular full-time employee's new schedule, to a maximum of nine and one half (9.5) hours overtime for any one schedule change. In cases where the change in schedules is temporary in nature (i.e. four (4) consecutive shifts or less), the Employer will not also incur overtime when the regular full-time employee is changed back to his/her original schedule.
 - ii) When a regular full-time employee works more than four (4) shifts on the new schedule, he/she shall be considered established on that schedule and, should the Employer wish to change that regular full-time employee's schedule again during the balance of the three month sign-up period, it will again be required to pay overtime on the first shift of the new schedule in accordance with subsection (i).

- h) The above subsection (g) notwithstanding, the Employer shall not incur overtime when, for bona fide operational reasons, it permanently changes a regular full-time employee's shift schedule during a three month sign-up period, provided it gives the regular full-time employee seventy-two (72) hours' notice of the change and at least ten (10) clear hours between shifts. For purposes of this section, the phrase "permanent change" means a change in a regular full-time employees shift schedule that is intended to last until the end of the current sign-up period. The Employer may utilize this clause once per regular full-time employee in any three month sign-up period; thereafter additional changes in shift schedules for that regular full-time employee being covered under the terms of subsection (g).

10.03.16 The Employer may utilize five (5) day - eight (8) hour shifts during the Fair Period, provided that no premiums or penalties shall result from making this change. Schedule "B" shall not apply to such work.

The applicable Manager, or designate shall determine when an employee's rest and meal breaks are to be taken. Rest breaks may be cancelled in the event of an emergency. As far as operationally possible, the first rest break shall be taken midway between the start of the shift and the meal break and the second rest break shall be taken midway between the meal break and the end of the shift. This notwithstanding, meal breaks for employees who work six (6) hours or less, may be taken at the end of the shift, thereby permitting the employee to leave work early, provided the employee and the applicable Manager, or designate both agree.

Where a regular full-time employee is required to work within the twelve (12) hour work-free period, the time so worked shall be subject to the appropriate overtime provisions. This subsection (10.13.1) does not apply if and when an employee voluntarily waives his/her right to be covered by this subsection.

10.13.2 During the Division's operating season, seasonal employees shall be given not less than ten (10) consecutive hours free from work between each regularly scheduled straight-time shift worked. This subsection (10.13.2) does not apply if and when an employee voluntarily waives his/her right to be covered by this subsection.

10.14.4 As much as is practicable, split shifts shall be eliminated in the Food Concession Department.

ARTICLE 11.00 OVERTIME

11.01 Overtime Defined

11.01.1 Overtime is defined as follows for regular full-time employees:

- a) work performed immediately following the completion of a regular full-time employee's regular shift.
- b) work performed immediately preceding a completed regular shift, provided the regular full-time employee has received notice of such work prior to the end of his/her previous regular shift.
- c) work performed, in addition to a regular full-time employee's regular shift, at any other time, provided the regular full-time employee has received notice of such work prior to the end of his/her previous regular shift.
- d) as per past practice, when an employee is off on vacation for an entire block of shifts [i.e. four (4) consecutive shifts], it is deemed that he/she is on vacation for the entire work week as defined in article 10.06 (i.e. 12.01 a.m. Sunday to midnight the following Saturday) and the employee is not eligible for overtime during that week except in cases of emergency when no other employee with the required skill, knowledge and ability is available to perform the work in question. When an employee is off on vacation for less than an entire block of shifts each week, he/she shall be eligible to work overtime in that work week prior to commencing such vacation, or in that work week after returning to work from such vacation provided that the overtime in question has not already been scheduled before the employee's return.

11.01.2

- a) As much as its operational requirements permit, the Employer shall offer overtime, in seniority order, to those regular full-time employees possessing the skill, knowledge and ability to perform the work in question, who are actually at work at the time. If an insufficient

number of regular full-time employees agree to work the overtime as a result of this offer, the Employer shall assign such overtime, in reverse order of seniority, to those regular full-time employees who have the skill, knowledge and ability to perform the work in question, who are at work at the time.

- b) Nothing in this article reduces the Employer's right to establish overtime requirements, including the skill, knowledge and ability, which must be possessed by regular full-time employees in order to be offered such work, nor does it preclude the Employer from hiring casual employees to perform such work.

11.02 Overtime Rate of Pay

11.02.1 The following overtime rate of pay shall apply:

- a) time and one half ($1\frac{1}{2} X$) the regular straight time rate of pay applicable to the work being performed for the first two (2) hours of overtime worked on a regular working day, provided such overtime is worked immediately preceding or immediately following the regular full-time employee's regular shift, and
- b) double time (2X) the regular straight time rate of pay applicable to the work being performed for all overtime worked beyond two (2) hours on a regular working day, provided such overtime is worked immediately preceding or immediately following the regular full-time employee's regular shift.
- c) double time (2X) the regular straight time rate of pay applicable to the work being performed for overtime worked, in addition to a regular full-time employee's regular shift, at any other time.

11.02.2 The overtime rate of pay for regular full-time employees, who work a regular shift entitling them to shift differential shall be calculated at their shift rate of pay (i.e. including the shift differential) when they work more than seven (7), or eight (8) hours on any such shift, or more than

thirty-five (35), or forty (40) hours in any week, as applicable.

11.02.3 When a regular full-time employee is required, by oral or written notice given on the same day, to report for work prior to his/her normal shift starting time and the regular full-time employee continues to work throughout his regular shift on that day, the overtime received by such regular full-time employee shall include one half (1/2) hour travel time, paid at the applicable overtime rate of pay.

11.03 Time Lost Through Lack of Work, Sickness or Injury

11.03.1 Regular full-time employees who are sent home during their normal work week because of a lack of work, shall be paid overtime rate of pay for all work performed outside of their normally scheduled working hours or on their normally scheduled rest days, as if they had worked all of their regularly scheduled hours in that work week, unless such hours result from a change in shift under section 12.02.

11.03.2

- a) Regular full-time employees who do not complete their regularly scheduled straight time hours in a work week as a result of sickness or injury, in respect of which they have produced a certificate from a duly qualified medical practitioner, shall be paid overtime rate of pay for all work performed outside of their regularly scheduled working hours or on their regularly scheduled rest days, as if they had worked all of their regularly scheduled hours in that work week.
- b) Subsection (a) notwithstanding, overtime rate of pay shall not be paid when, in the opinion of the General Manager, or designate or the Director Human Resources, regular full-time employees are absent without adequate reason, with the result they do not complete thirty-five (35), thirty-eight (38) or forty (40) straight time hours in that work week, as applicable.

11.03.3 Hours paid to regular full-time employees, who are on paid leave of absence, shall not be considered as hours worked for purposes of calculating overtime.

11.04 Call-Out

11.04.1 A call-out occurs when an employee is called back to work from his/her place of residence, outside of his/her normally scheduled working hours, and subsequently returns to his/her place of residence following completion of the work for which he/she was called, irrespective of the reason for the call.

11.04.2

- a) Call-outs, under this section, shall be paid at double time (2X) the regular straight time rate of pay applicable to the work being performed, to a minimum of seven (7) or eight (8) hours regular straight time rate of pay for each call-out, as applicable.
- b) In addition, employees shall be paid one (1) hour travel time for each call-out. This travel time shall be included in the above guarantee, when possible. Should an employee actually work sufficient time on a call-out to earn in PNE Operations the above guarantee and Playland Operations eight (8) or more hours regular straight time rate of pay as applicable, he/she shall receive his/her travel time, or portion thereof, on the basis of straight time, in addition to the amount so earned.

11.04.3 When, after being called-out, an employee is again called-out before the expiry of the minimum three and one half (3.5) or four (4) hour period, or before he/she arrives back home, whichever is the later, such additional call(s) shall not be considered as separate call-outs for purposes of this section.

11.04.4 If the time worked on a call-out extends, without interruption, beyond the end of a workday and/or beyond the end of a work week, the time so worked shall not be considered as part of a new workday or a new work week.

Such time shall be considered continuous with the time worked prior to the end of the existing workday and/or the existing work week, as the case may be.

11.04.5 Effective September 22, 2014, Employees who are contacted by the Employer during their off duty hours and who actually perform work that does not require them to return to the workplace, with the result that the above call-out provisions do not apply, shall be compensated as follows:

- **When the work is completed in less than fifteen (15) minutes: no compensation will apply.**
- **When the work takes fifteen (15) minutes or more to complete but less than one (1) hour: the employee shall be paid at his/her normal straight time rate in one-quarter (1/4) hour increments. (For example: if the work takes 15-29 minutes to complete, the employee will be paid for one-half (1/2) hour at his/her normal straight-time rate; 30-44 minutes of work = 45 minutes straight-time pay; 45-59 minutes of work = one (1) hour straight-time pay.)**
- **When the work takes one (1) hour or more to complete, the employee shall be paid at double time (2X) his/her normal straight time rate for the entire period worked, to a minimum of one (1) hour overtime pay**

11.05.1 Regular full-time employees may bank some or all of their overtime hours, to be taken as equivalent time-off at a later date, in accordance with the following subsections.

11.05.3 Regular full-time employees may withdraw once per week part or all of their overtime banks, in cash of not less than \$200.00 dollars. **Effective March 31, 2015, this practice shall cease.**

11.05.4 When banked overtime is taken as time off or converted to cash under this section, the regular straight time rate of pay that applies shall be the rate at which such overtime was earned.

11.05.5 In order to utilize time off from the overtime bank, regular full-time employees must make a written request, in advance, to the applicable Manager, or designate; such requests to be granted at management's discretion.

11.05.6 Any overtime remaining in a regular full-time employee's overtime bank at the end of the third week of July, in the year following the year in which such overtime was earned, shall be paid out.

11.06 Gardening Crew

11.06.1 Regular full-time employees on the Gardening Crew shall be eligible to work pre-scheduled overtime that becomes available in the labourer classification on the basis of their seniority, and when so employed they shall be paid at the Labourer rate. For purposes of this Letter, "pre-scheduled over time" is overtime that is scheduled in advance and does not include overtime that is worked contiguously with a previously scheduled shift, which overtime is normally performed by the employee(s) who worked such shift.

11.07 Stand-by Pay

- a) **Regular full-time employees, who are required by the Employer, in advance, to stand-by, must remain ready, willing and able to respond to calls while off duty for those stand-by periods as designated below.**

- b) When such work exceeds three (3) consecutive shifts, whether or not they are worked in the same work week, all shifts so worked shall be paid at the regular straight time rate of pay applicable to the work being performed, plus shift differential if applicable, rather than at the overtime rate of pay under subsection (a).
- c) Regular full-time employees who absent themselves from emergency shifts, without satisfactory reason, shall not be eligible to receive the overtime rate of pay set out in subsection (a), when they would have received the regular straight time rate of pay plus shift differential under subsection (b), had they not been so absent.

- c) No travel time shall be paid under this subsection (12.03.5).

12.03.7 Normal work projects shall not be considered as emergency work under this section, but if such projects require a change of shift from normal working hours, shift differential shall then apply.

However, employees may only indicate day, evening **or graveyard** shift preferences if those shifts are regularly available in their job classification.
- e) For purposes of this section (12.04), a day shift is defined as a shift ending not later than 5:00 p.m. and an evening shift is defined as a shift that does not start before 5:00 p.m. **A graveyard shift is defined as a shift starting on or after 11:00 pm and ends on or before 8:00 am.**

of pay. The Employer will consider seniority when assigning employees to work as supervisors, all other things being equal.

- m) To be assigned to work in the Special Security jobs that might require the incumbent to be involved in physically restraining or evicting patrons, Public Safety employees must undoubtedly have the skill and physical ability to safely perform such work.

- c) Provided operational requirements permit, the Employer will maximize the length of shifts for employees who have attained seniority (example two shifts of four hours might be combined into one shift of eight hours). For the purposes of this subsection (c), the Employer's operational requirements include but are not limited to, its ability to provide employees, who do not work full-

Shift differential will be calculated at regular straight time rate of pay only and there will be no pyramiding on the calculation.

14.05.1 Regular full-time employees, who are laid off and who are re-employed in regular full-time employment within twelve (12) months of such layoff shall be eligible for statutory holidays under this article, immediately upon such re-employment.

14.05.2 Regular full-time employees, who are laid off after completing thirty (30) calendar days' continuous service and who are not recalled to full-time employment or who are not deemed recalled pursuant to article 9.04.7(c) within their twelve (12) month recall period, must again complete thirty (30) calendar days continuous service in order to be eligible for statutory holidays under this article.

14.05.3 It is understood that regular full-time employees, who are laid off, are not eligible to receive statutory holiday pay for those holidays falling during the period of their layoff, unless they actually work the day immediately before the statutory holiday, the day of the holiday or the day immediately after the holiday.

ARTICLE 15.00 VACATIONS

15.01 Annual Vacation Entitlement

15.01.1 Regular full-time employees shall be entitled to annual vacations on the following basis:

- a) During the first (1st) calendar year or part calendar year of service: one-twelfth (1/12) of ten (10) working days for each month or portion of a month greater than one half (1/2) worked by December 31st,
- b) During the second (2nd) calendar year of service, up to and including the ninth calendar year of service: fifteen (15) working days,
- c) During the tenth (10th) calendar year of service, up to and including the seventeenth calendar year of service: twenty (20) working days,

15.02.1 Regular full-time employees shall be entitled to a supplementary vacation of five (5) working days in each of their eleventh (11th), sixteenth (16th), twenty-first (21st), twenty-sixth (26th), thirty-first (31st), thirty-sixth (36th) and forty-first (41st) calendar years of service.

15.02.2 Regular full-time employees shall be eligible to take their supplementary vacation in the year, in which it is earned, commencing on January 1st. For the purposes of clarification, a table of annual vacation and supplementary vacation entitlements is set out in Appendix A, which is attached to and which forms part of this Agreement.

15.03 **Vacation Pay Adjustment**

15.03.1 As soon as possible following December 31st in each year, a lump sum vacation pay adjustment shall be made to those regular full-time employees, who are not entitled to vacation pay as a percentage of earnings, where such regular full-time employees' annual basic earnings, exclusive of overtime and any other premium payments not normally taken into account in the computation of annual vacation pay, exceeded their normal classification rate of pay earnings during that year. Payments under this section shall reflect the proportionate difference between the regular full-time employees' actual annual basic earnings and normal classification rate of pay earnings, applied to the regular full-time employees' annual vacation pay for the year, but shall not be paid in any case where the total amount payable is less than one dollar (\$1.00).

15.04 **Vacation Entitlement upon Termination**

15.04.1 When the employment of a regular full-time employee terminates for any reason prior to the completion of twelve (12) consecutive months of service, that regular full-time employee shall receive vacation pay in accordance with the Employment Standards Act.

15.04.2 When the employment of a regular full-time employee terminates for any reason following completion of twelve (12) consecutive months of service, that regular full-time employee shall receive annual vacation for the calendar year in which termination occurs on the basis of one-twelfth (1/12) of his/her vacation entitlement for that year, for each month or portion of a month greater than one half (1/2) worked to the date of such termination.

15.04.3 When the employment of a regular full-time employee terminates for any reason after that regular full-time employee has earned a supplementary vacation entitlement under section 15.02, but before such entitlement has been taken, the regular full-time employee shall receive payment for such entitlement on his/her final pay cheque.

15.04.4 In all cases of termination the necessary adjustment shall be made to the regular full-time employee's final pay cheque in order to repay the Employer for any over payment of vacation previously received by that regular full-time employee, but not earned.

15.04.5 Subsection 15.04.2 notwithstanding, regular full-time employees, who retire on the municipal pension plan or who terminate upon reaching maximum retirement age, shall be entitled to their full annual vacation entitlement in that year, as if they had worked the entire year.

15.05 **Vacation Year Defined**

15.05.1 For purposes of annual and supplementary vacations under this article, the term "calendar year" means the twelve (12) month period from January 1st to the following December 31st, inclusive.

15.06 **Periods When Vacations may be Taken**

- a) The periods when regular full-time employees may take their annual and supplementary vacations are as follows:
 - i) January 1st to July 31st, inclusive
 - ii) The first Monday after Labour Day to December 31st, inclusive
 - iii) The first week of August, if approved in writing by the applicable Manager, or designate.
- b) Playland Operation: full-time employees may not take their annual and supplementary vacation during the Playland Operations, Operating season, without the approval of the applicable Manager, or designate.
- c) Annual vacation and supplementary vacation shall be taken in one half (1/2) day blocks unless approved by the

applicable Manager, or designate at his/her discretion, when the minimum vacation block shall be one (1) hour.

- d) The Employer reserves the right to approve all annual and supplementary vacation requests and shall schedule any annual vacations that regular full-time employees have not scheduled as time off by December 31st of each year, so that all annual vacations are taken as time off by March 31st of the following year, subject to article 15.08 below.

15.07.1

- a) Regular full-time employees, who return to work from a general leave or who are recalled to full-time employment from a layoff, shall have their vacation entitlement, with respect to the length of the vacation, based upon their calendar years of service.
- b) The vacation pay for such individuals shall, however, be prorated on the basis of one-twelfth (1/12) of their vacation entitlement, in that year, for each month or portion of a month greater than one half (1/2) worked by December 31st.
- c) The portion of the month worked shall be based upon the shifts available to a regular full-time employee in that regular full-time employee's classification. If the regular full-time employee works less than one half (1/2) of the shifts normally available in any month, the vacation pay shall be prorated for that month. General leave taken in the month of December will not be taken into account for purposes of such prorating.

15.07.2 When a regular full-time employee is off work, as a result of a compensable injury or a non-compensable sickness or injury, his/her annual vacation entitlement shall continue for the first twelve (12) months of such absence. When the absence continues for longer than twelve (12) months, the regular full-time employee's annual vacation entitlement, in the second year and each subsequent year,

shall be pro-rated on the basis of the time actually worked by the regular full-time employee. Such regular full-time employee's vacation entitlement levels, upon which each yearly vacation calculation is based, shall continue to increase on a normal basis.

15.08 Vacation Deferral

15.08.1 Regular full-time employees, entitled to fifteen (15) days of vacation, must take at least ten (10) days off during the year in which such vacation was earned. Regular full-time employees, entitled to twenty (20) days or more vacation, must take at least fifteen (15) days off during the year in which such vacation was earned. When, as a result of operational requirements, regular full-time employees are not permitted to take their required (10) or fifteen (15) days of vacation time off in the year in which it was earned, such vacation may be carried over until March 31st of the following year, provided that it is pre-scheduled as time off before December 31st and taken before March 31st of the following year.

15.08.2 Regular full-time employees may defer taking some or all of their annual vacation entitlement, in excess of fifteen (15) days, until subsequent years. Regular full-time employees may also defer taking their supplementary vacation until subsequent years.

15.08.3 The maximum deferral, which shall be permitted at any one time under this section (15.08), shall be twenty (20) days, inclusive of both deferred annual vacation and deferred supplemental vacation.

Regular full-time employees who actually work less than one half (1/2) of the regularly scheduled full-time hours in any month, but more than thirty-eight (38) hours in that month, shall earn one half (1/2) day of sick leave.

b) When any sick leave so advanced is used and the regular full-time employee involved terminates, for any reason, before such sick leave has been earned, an adjustment shall be made to that regular full-time employee's final cheque to repay such overpayment. Regular full-time

employees who are laid off and placed on the recall list shall not be considered terminated for purposes of this subsection.

- b) arrange with the regular full-time employee so that the regular full-time employee's contributions to the municipal pension plan are continued, based upon the gross benefits received by the regular full-time employee,
- c) pay the Employer's portion of the premium for the regular full-time employee's Medical Services Plan coverage.

16.06.6 The Employer shall continue to pay regular full-time employees, who have applied for Weekly Indemnity (WI) Coverage while their application is being initially processed by the carrier, an amount equivalent to the amount they would receive if their WI claim is approved, provided the regular full-time employee in question would have continued work had he/she not suffered the applicable sickness or non-occupational disability and provided further that his/her sick leave, vacation and overtime credits available to offset such payments. In the event the WI carrier rejects the regular full-time employee's claim, the Employer may recoup any wages maintained under this section from the above sources and/or from future wages earned by the regular full-time employee.

16.06.7 **Complementary Weekly Indemnity Coverage**

- a) The Employer shall arrange with the Weekly Indemnity carrier for complementary weekly indemnity coverage for regular full-time employees who are injured and who are awaiting adjudication of their WCB claim by the Workers' Compensation Board, and for regular full-time employees who are appealing a WCB claim that has been rejected by Workers' Compensation Board. Pursuant to Article 16.06.4, access to such coverage shall not exceed a total of twenty six (26) weeks.

16.07 **Long Term Disability**

16.07.1 The Long Term Disability Plan in effect for regular full-time employees shall remain in force and effect for the term of this Agreement, subject to the Carrier's Plan regarding the eligibility requirements to receive benefits, provided that eligibility for LTD benefits shall commence after the regular full-time employee is no longer eligible for Weekly Indemnity Benefits.

16.08 **Maximization of After-tax Benefits**

16.08.1 The percentage contributions made by the Employer and the regular full-time employees towards the cost of the above benefit plans shall be reallocated so as to provide the best after tax result for regular full-time employees generally, provided that by so doing, the Employer's costs do not exceed those which would result from actually applying the percentages set out in this article (16.00).

16.09 **Effect of Absences on Benefit Entitlement**

16.09.1 When a regular full-time employee is off work, as a result of a compensable injury or a non-compensable sickness or injury, his/her Medical Services Plan, Extended Health Benefits Plan, Dental Plan and Group Life Insurance Plan benefits shall continue, provided the regular full-time employee continues to pay his/her share of the costs of maintaining same.

16.10 **Joint Participation in Benefit Discussions**

- a) The Union will be provided with all Benefit Plan contracts entered into by the Employer and the Benefit Plan carrier(s) regarding those benefits provided by this article (16) and the Benefit Plan annual report. The parties shall discuss what other benefit plan information is to be provided to the Union, subject to mutual agreement.
- b) Any changes made to the benefit plans provided by this article (16.10) shall be discussed with the Union or a representative appointed by the Union prior to such changes being implemented. There shall be no change in the Long Term Disability Plan without the Union's agreement.
- c) The Employer shall not on its own volition change the benefit plans in force and effect as at October 12, 2011 as a means of obtaining cost savings.
- d) In order to provide on-going opportunity for the Union to discuss and have input regarding the benefit plans provided by this article, up to two (2) representatives

appointed by the Union will be invited to attend an annual meeting with the Employer's Benefit Plan Broker, and, when the Employer and the Union mutually agree, a representative of the Carrier.

- e) The parties will discuss putting the benefit plans out to tender with the objective of reducing premiums and improving benefit levels.

ARTICLE 17.00 CONTRACTING OUT

17.00.1 Except as provided below, the Employer shall not contract out work which is normally and regularly performed by members of the bargaining unit when it could result in the layoff of the regular employees; or the failure, under article 9.04.6 to offer such work on a casual basis to laid-off regular employees possessing the required skills, knowledge and ability.

17.00.2 The Employer shall have the right to contract out work when:

- a) It has provided the Union representatives on the Contracting-Out Committee with not less than thirty (30) calendar days' notice to allow for the discussion under article 17.00.3(d) to take place, in cases where the PNE Tech Services function or the Playland Tech Services function intends to contract out work, in non-emergency situations, that is not on the Historical Contracting-Out List.
- b) It does not have the necessary equipment or facilities to perform the work, or
- c) It does not have employees with the required skills, knowledge and ability to perform the work, or
- d) An emergency occurs.

17.00.3

- a) The above notwithstanding, the Employer may continue to contract out work which it has historically contracted out.

- b) Within forty-five (45) calendar days following October 12, 2011, the Employer and the Union shall, form a standing Contracting-Out Committee comprising up to three (3) representatives appointed by each side. It is understood that the Committee may from time to time, by consensus agreement, involve other people to assist it in its deliberations. Committee meetings shall be held at mutually agreeable times.

- c) As its first order of business, the Contracting-Out Committee shall review all work (by nature and type – not necessarily by particular contracts), of the same nature and type, that the Employer has historically contracted-out by the PNE Tech Services function and the Playland Tech Services function, in order to establish a comprehensive list of all such contracted work. This Historical List of contracts will serve as the basis for the administer section 17.00.3(a) going forward.

- d) The Committee shall then discuss the intended contracting out to determine whether there are alternatives to contracting out the work in question and/or whether article 17.00.2 would be violated, if the Employer proceeds with the contract.

- e) (i) When the Committee cannot agree whether the intended contract will violate article 17.00.2 or whether the work in question should be put on the Historical List, the matter shall be referred, on an expedited basis to Chris Sullivan, who shall serve as the parties' Contracting-Out Referee (or, at the request of either party, to an alternate mutually agreeable Contracting-Out Referee agreed to by the parties). The Contracting-Out Referee shall make a without prejudice determination, on a case-by-case basis, as to whether 17.00.2 would be violated were the intended contract to proceed, or whether the work in question is to be placed on the Historical Contracting-Out List.

- (ii) If the Contracting-Out Committee or the Contracting-Out Referee determines that the intended contract would violate article 17.00.2, the intended contract may not proceed. If that question is answered in the negative, the Employer is free to proceed with the contract and in such eventuality, the contract shall be added to the Historical List.
- (iii) If the Contracting-Out Referee determines that the work in question should be placed on the Historical Contracting-Out List, it shall be added to the Historical List.
- (iv) In emergency situations, the Employer may proceed with the contract before notifying the Contracting-Out Committee, provided it does so as soon as possible after the fact, but not more than five (5) calendar days. In such cases, the work of the Committee (including the Contracting-Out Referee process, if necessary), shall take place retrospectively in order to establish whether an emergency situation existed and/or whether article 17.00.2 was violated. In such cases, the Contracting-Out Referee has jurisdiction to award such non-punitive damages as the Referee believes is appropriate in the circumstances, when the Referee finds that no emergency existed or that article 17.00.2 was violated.
- v) The decision of the Contracting-Out Referee shall be provided to the parties within three (3) working days (Monday – Friday) after the matter has been referred by the parties. The parties shall each pay one-half (1/2) of the cost and expenses of the Contracting-Out Referee.

17.00.4

- (a) Recognizing the goal of the Union is to have as much work done in-house by bargaining unit employees as possible, and to return to the bargaining unit work that

was historically performed by the bargaining unit but which is currently contracted out, the Contracting-Out Committee has a mandate to discuss, without limitation, any situation where the Employer contracts out work (i.e. such discussions are not limited to contracting out by the PNE Tech Services function and the Playland Tech Services function and can include contracting-out situations that are on the Historical Contracting-Out List).

- (b) The purpose of these discussions is to determine whether it is feasible to have such work performed in the future by bargaining unit employees, including the purchase of equipment to allow this to happen, if applicable.
- (c) The Employer shall not unreasonably refuse to use bargaining unit employees to perform work that was formerly contracted out when the Contracting-Out Committee, by consensus, agrees that it is feasible to do so.
- (d) Without limiting the Contracting-Out Committee's mandate in this regard, it should not, generally speaking, be considered feasible to do the work in question in-house when the cost of so doing would be substantially more expensive than using a contractor, or it is reasonable to assume that the work in question might not be completed to an acceptable standard or in a timely fashion, were it to be performed in house.

17.00.5 The Employer shall not fail to replace or repair equipment or facilities solely as a means of creating a situation where it may then increase its use of contractors.

25.02.1 The parties shall form a joint labour-management committee comprising two (2) representatives appointed by each side to administer the Modified Work Program, one of whom on the Employer's side is the Program's Disability Coordinator. The Union shall appoint the Committee Chair and the Committee shall develop its own administrative procedures. The Joint Committee shall make decisions by consensus, in accordance with the terms of this Article.

25.02.2 The Joint Committee has a mandate to review cases where employees have **a significant restriction in their ability to perform their normal duties and who have been**, or are expected to be absent from work for lengthy

periods as a result of illness, injury or disability, whether or not such absences are compensable under Workers' Compensation Act or other insurance programs.

25.02.3 Cases to be reviewed by the Committee shall include those that the Disability Coordinator brings forward pursuant to article 25.02.5 or those cases that the Committee Chair or the affected employee request to be reviewed based upon the particular circumstances of each such case. The Committee will be supplied with a complete list of active cases prior to each meeting.

25.02.4 Minutes from the Joint Committees meetings shall be taken and kept by the Disability Co-ordinator. All discussions and meeting minutes shall be treated as strictly confidential and only for the use of the committee members.

25.02.5 The Disability Co-ordinator shall be responsible for bringing cases forward for review by the Joint Committee, with recommendations for placements under the program. The Disability Co-ordinator's other duties shall include, but are not limited to, maintaining on-going contact with: employees who are absent; the WCB or other insurance carriers; rehabilitation providers; medical personnel, including employees' personal physicians / specialists and supervisors, etc.

25.02.6 Occupational Health & Safety Officer shall be appointed as the Program's Disability Co-ordinator. In the event that he/she or his/her successor is unable to serve, the Employer shall appoint a replacement.

25.02.7 When the Joint Committee is of the opinion, based upon objective medical evidence available to it, that an absent employee is a suitable candidate for a return to work under the Program and, in the case of compensation, the WCB agrees, the employee in question is expected to accept the work.

25.02.8 Employees placed under the Modified Work Program by the Joint Committee shall be notified in writing outlining the particulars of their specific plan including:

start/end date, employee and Employer responsibilities and schedule for evaluation.

25.02.9 Normal access to the Modified Work Program shall be for a specified term **determined by the Joint Committee**. Where circumstances warrant extended recovery periods, time frames may be altered to accommodate special circumstances.

25.03 **Dispute Resolution Procedures**

25.03.1 This dispute resolution procedure shall be utilized in cases where:

- a) the joint committee is unable to reach consensus as to whether a particular absent employee is expected to undertake a return to work under the Program, or
- b) an employee, designated for a return to work by the Joint Committee, wishes to dispute that designation, on the basis of medical evidence received from his / her personal physician which states he / she is medically unfit to perform the work in question.

25.03.2 The parties shall mutually agree on a physician who shall be appointed to adjudicate whether an employee is medically fit to perform the return to work assignment in question. The designated physician shall conduct an Occupational Fitness Assessment (OFA) or similar procedure, in order to objectively determine whether the employee in question is fit to return to work and what, if any accommodations are required to expedite that return.

25.03.3 Should the occupational physician, next in line to adjudicate a case, be unable or unwilling to do so, the other named physician shall do so. When one of the named physicians is permanently unable or unwilling to act, the party making the initial appointment shall name a permanent replacement.

25.03.4 When the occupational physician adjudicating any case determines that an employee is medically fit to perform the work assignment in question, the employee shall be expected to accept such work.

25.03.5 The cost of having the above listed doctors adjudicate cases under this section shall be borne by the Employer.

ARTICLE 26.00 CLOTHING ALLOWANCE

26.01.1 PNE Operation: Regular full-time employees excluding clerical shall receive ten cents (\$0.10) per hour for each regular straight time hour actually worked as a monthly allowance towards the purchase of clothing (including **approved safety footwear**, coveralls and rain gear) which must be used at work. In addition, eligible regular full-time employees shall be paid this allowance while they are on vacation and/or sick leave.

26.01.2 The above notwithstanding, full-time PNE Operations mechanics will, upon request and on an as needed basis, be issued coveralls which they shall be required to wear at work.

26.01.3 Playland Operation: Effective September 22, 2014, regular full-time Playland employees excluding clerical shall receive five cents (\$0.05) per hour for each regular straight time hour actually worked as a monthly allowance towards the purchase of clothing (including approved safety footwear and other items of work clothing that they are not issued by the Employer), which must be used at work. ARTICLE 27.00 PERSONNEL FILES (including Discipline)

27.00.2 Employees shall be entitled to receive a copy of any document contained within their file, at the time of the above examination.

27.00.3 Employees shall be provided with a copy of all letters of reprimand, censure, and any other documents placed on their personnel files which may serve as the basis of disciplinary action. The Union shall also be provided with copies of such material.

Major infractions: after thirty-six (36) months have expired from the date such discipline was issued, provided the employee has received no other discipline during such period.

For purposes of this section “minor” and “major” discipline are as defined in the Employer’s progressive discipline policy. All disciplinary notices will indicate whether the Employer considers the conduct to be minor or major.

Reasonable opportunity will be provided for the employee to arrange for a shop steward or other Union representative to attend prior to the commencement of the meeting.

If a shop steward or other Union representative is not reasonably available to attend a meeting under this section (—) in a timely fashion, or if the Employer believes the severity of the disciplinary situation warrants, the Employer may proceed with the meeting in the absence of a shop steward or other Union representative, provided a disciplinary meeting takes place within three (3) working days if the employee requests such meeting, unless the parties mutually agree to a later meeting.

APPENDIX “B”

to the
PNE and CUPE Local 1004 Collective Agreement
**Integration of Playland Operations and PNE
Operations**

1. When a Playland Operations employee is selected to fill a posted vacancy in the PNE Operations Seniority Unit or when a PNE Operations employee is selected to fill a posted vacancy in the Playland Operations Seniority Unit, the employee’s previous seniority shall be included when establishing his/her seniority date in the other operation.
2. Playland Operations employees, who have attained seniority, may apply for vacancies posted in the PNE Operations Seniority Unit and PNE Operations employees, who have attained seniority, may apply for vacancies posted in the Playland Operations Seniority Unit. These applications shall be considered as internal applications under the applicable collective agreement, provided that Playland Operations employees with the required skill, knowledge and ability shall receive preference over PNE Operations employees when filling Playland Operation vacancies, irrespective of seniority; and PNE Operations employees with the required skill, knowledge and ability shall receive preference over Playland Operations employees when filling PNE Operations vacancies, irrespective of seniority.
3. Regular full-time Playland Operations employees, who are subject to layoff, shall not be permitted to bump the regular employees in the PNE Operations Seniority Unit. The regular employees from PNE Operations, who are subject to layoff, shall not be permitted to bump regular full-time Playland Operations employees in the Playland Operations Seniority Unit.
4. Regular full-time Playland Operations employees, on the recall list, shall not be eligible for recall to positions in

the PNE Operations Seniority Unit. The regular employees from PNE Operations, who are on the recall list, shall not be eligible for recall to positions that become available in the Playland Operations Seniority Unit.

5. Other provisions of the collective agreement and this Appendix “B” notwithstanding, particularly but not limited to sections (6) and (7) of this Appendix, the Employer may combine any Playland Operations function and any PNE Operations function when it feels it is appropriate to do so in order to best meet its operational requirements or its customer service objectives; such combined functions shall be placed within either the Playland Operations Seniority Unit or the PNE Operations Seniority Unit, as the Employer sees fit, provided PNE Operations Employees working the compressed work week as at October 12, 2011 shall not lose their compressed work week as a result of combining functions. Such combined functions shall thereafter operate site wide using such equipment and materials as is necessary to best meet operational requirements, irrespective of the historical utilization of such equipment and materials. When the Employer combines two (2) or more functions from the two operational seniority units, the following conditions shall apply:
 - a) The affected employees shall maintain their current seniority date and the applicable seniority list shall be melded to include all employees in the combined functions with their current seniority date, and
 - b) No employee shall suffer a reduction in the basic rate of pay he/she was receiving immediately prior to the combination of the functions. Employees who are paid above the applicable rate for the combined function shall have such higher rate “grand-parented” as long as they remain continuously employed – they shall receive all negotiated general salary increases and such “grand parented” rate shall

cease when the employment of such employee terminates irrespective of reason.

6. Existing Integration Arrangements – these arrangements apply except where functions are combined under section (5) of this Appendix “B” when the Employer may cease such arrangements, as applicable.

a) Playland Operations Sweepers:

- Sweepers, who are hired by the Playland Operations, shall be paid at the equivalent PNE Operations Fair-time Sweeper’s regular straight time rate of pay during the duration of the annual fair. Except in the case where the Playland regular straight time rate of pay is higher than the Fair-time regular straight time rate of pay, then the regular straight time rate of pay will remain the same.
- Sweepers, irrespective of their seniority unit, may be assigned by the Employer to work site wide during the Annual Fair.

b) Guest Services:

- Guest Services staff that is hired by the Playland Operations, shall be paid at the equivalent PNE Operations Fair-time Guest Services regular straight time rate of pay during the duration of the annual fair. Except in the case where the Playland regular straight time rate of pay is higher than the Fair-time regular straight time rate of pay, then the regular straight time rate of pay will remain the same.
- Guest Services Staff and applicable Foreman irrespective of their seniority unit may be assigned by the Employer to work site wide during the Annual Fair.

c) Ticket Office:

- Playland Operations Ticket Sellers shall be paid at the equivalent PNE Operations Fair-time ticket office regular straight time rate of pay during the duration of the annual fair. Except in the case where the Playland regular straight time rate of pay is higher than the Fair-time regular straight time rate of pay, then the regular straight time rate of pay will remain the same.
- Playland Operations Cashiers shall be paid at the equivalent PNE Operations Fair-time cashier’s regular straight time rate of pay during the duration of the annual fair. Except in the case where the Playland regular straight time rate of pay is higher than the Fair-time regular straight time rate of pay, then the regular straight time rate of pay will remain the same.
- Ticket Office Staff, irrespective of their seniority unit, may be assigned by the Employer to work site wide during the Annual Fair.

d) Site Security:

- The responsibilities for the supervision of night personnel within the historic boundaries of Playland Operations shall change prior to the beginning of the Annual Fair. The Ride Maintenance Department will transfer night-time security and site security responsibilities to the Public Safety Department.
- Full-time Playland Operation employees who have completed their probationary period shall continue to receive their normal classification rate of pay plus employee benefits during the annual fair.
- Casual Playland Operations employees, who would have normally been laid off during the

annual Fair, may apply for an opening within the Public Safety night site security classification. If the Public Safety Department deems an applicant suitable for such employment, they shall be paid the applicable regular straight time rate of pay plus ten per cent (10%) in lieu of all benefits. Their hours of work shall continue to accrue toward their total casual hours of service for the purposes of completing their probationary period.

7. Except where functions are combined under section (5) of this Appendix "B", or as mutually agreed by the parties and/or for those integrated functions under section (6) above, equipment and material that is historically owned, operated and/or controlled by the Playland Operations and which is utilized outside of Playland Operations traditional boundaries within the PNE Operations site, shall be transported, operated and erected or constructed by Playland Operations employees; and vice versa.
8. (a) The work historically performed by Playland Operations (i.e. work that has been performed by Playland Operations employees or contracted-out by Playland Operations) does not constitute work that is normally and regularly performed by employees of PNE Operations for purposes of article 17.00, despite the fact that the PNE Operations employees may from time to time perform such work; and vice versa.
- (b) Recognizing that there may be work that is contracted-out, which might be performed by PNE employees, and vice versa, the Contracting-Out Committee shall have a mandate to discuss any such contracting out situation to determine whether it is feasible to have the work in question performed in-house by employees from the other division, as applicable. The Employer shall not unreasonably refuse to do the work in-house using bargaining unit

employees from the other division when the Contracting-Out Committee agrees, by consensus, that it would be feasible to do so. Without limiting the Contracting-Out Committee's mandate in this regard, it should not, generally speaking, be considered feasible to do the work in question in-house when the cost of so doing would be substantially more expensive than using a contractor, or it is reasonable to assume that the work in question might not be completed to an acceptable standard or in a timely fashion, were it to be performed in house.

9. Employment of laid-off regular full-time employees in the PNE Operations seniority unit on a casual basis in the Playland Operations seniority unit:
 - a) This section (9) does not establish any right for laid-off regular full-time employees in the PNE Operations seniority unit to perform work in the Playland Operations seniority unit. The Employer reserves the right to hire external applicants to perform work in the Playland Operations seniority unit.
 - b) The Employer shall advertise Playland Operations opportunities for casual work in excess of two (2) weeks duration, in the normal fashion.
 - c) Laid-off regular full-time employees in the PNE Operations seniority unit, who are offered such work and who accept same, shall not be eligible for casual shifts in the PNE Operations seniority unit during the duration of the Playland Operations work. However, they shall be eligible for full recall during said period. If they do not accept full recall, they shall receive a bypass and they shall be eligible to bump into the PNE Operations seniority unit at the end of the Playland Operations work.
 - d) Laid-off regular full-time employees in the PNE Operations seniority unit performing casual work in

the Playland Operations seniority unit shall be paid the applicable Playland Operations regular straight time rate of pay. They shall be eligible for benefits on the same basis as if the casual work was being performed in the PNE Operations seniority unit – it being understood that they shall not receive both the percentage (%) in lieu of benefits and benefit coverage.

- e) Regular full-time employees in the PNE Operations performing casual work in the Playland Operations seniority unit shall not be eligible for layoff notice or pay in lieu when such work comes to an end.
- f) The casual time worked in Playland Operations seniority unit shall not be credited towards Playland Operations seniority. This notwithstanding, if a laid-off regular full-time employee in the PNE Operations seniority unit works sufficient casual hours in Playland Operations seniority unit to qualify for Playland Operations seniority, he/she shall be permitted to choose whether or not to establish Playland Operations seniority, within ten (10) days of being so notified. If the Regular full-time employee elects to establish Playland Operations seniority, he/she shall not thereafter be eligible to exercise PNE Operations seniority in the PNE Operations seniority unit, article 2.00.4(d) notwithstanding.
- g) Work performed by laid-off regular full-time employees in the PNE Operations seniority unit on a casual basis in Playland Operations seniority unit shall be deemed as service for purposes of calculating severance pay under Letter of Understanding #1.
- h) Casual work performed in Playland Operations seniority unit by laid off regular full-time employees in the PNE Operations seniority unit shall not be considered as work normally and regularly

performed by members of the bargaining unit pursuant to Article 17, Contracting-out.

Re: Severance Pay

This letter is appended to and forms part of the Agreement that expires December 31, 2016. It expires automatically with the expiry of that agreement.

1. Regular full-time employees, who have completed probation and who are terminated as a result of a total or partial closure of the PNE Operations and Playland Operations at the Hastings and Renfrew site, shall receive severance pay under this letter, if
 - a) they are not offered comparable employment by the Employer in any respect of its business, either at the Hastings and Renfrew site or at a different site, or
 - b) they are not offered comparable employment by the Provincial Government or a lower mainland municipal sector government, including the GVRD, or by any successor or subsequent operator of any aspect of the Employer's existing or future business, irrespective of site.
2. For purposes of this letter, comparable employment is any regular full-time job for which the regular full-time employee is reasonably suited based upon his / her qualifications, experience, skill and ability, and which offers a normal classification rate of pay that is at least eighty percent (80%) of the normal classification rate of pay the regular full-time employee previously received from the PNE Operation (average of the last three (3) years worked) and which offers a fringe benefit package that is reasonably comparable. Comparable employment does not contemplate or necessitate relocation outside the Lower Mainland / Fraser Valley.

3. Regular full-time employees who receive severance pay under this provision shall be terminated in all respects. They shall thereafter retain no rights under the collective agreement including loss of any further right of recall.
4. Severance pay is based upon each regular full-time employee's years of completed seniority and is calculated at the regular full-time employee's average hourly rate worked at straight time in the twelve (12) full calendar month period immediately preceding his/her termination, in accordance with the following schedule:

Years Seniority	Pay In Weeks	Years Seniority	Pay In Weeks
1	2	15	24
2	3	16	26
3	4	17	28
4	5	18	30
5	6	19	32
6	7	20	35
7	8	21	37

11	15	25	45
12	17	26	47
13	19	27+	49

5. In the event of a total and permanent closure of the PNE, regular part-time employees, who are on the regular part-time seniority list as at August 17, 2001, who are not offered comparable alternate employment under point#1 of this Letter, shall be paid severance pay, less statutory deductions, as a lump sum as follows:

As at the date of severance: forty (40) hours

Ten Years or more seniority
As at the date of severance: eighty (80) hours

As at the date of severance: one hundred and
twenty (120)
hours

6. On December 31st of each year that this Letter is in force and effect, commencing December 31, 2001, regular full-time employees, who have not actually worked at least one thousand four hundred (1400) regularly scheduled straight time hours in the previous twelve (12) months, may, on a one time only basis, opt to resign and take severance pay, provided written notice of such decision is given to the Director Human Resources on or about December 15th of the applicable year.
7. The Employer reserves the right to offer severance pay to any regular full-time employee under this provision, irrespective of seniority. Regular full-time employees offered severance pay shall make their decision regarding acceptance within ten (10) business days of the offer being made. Employees who accept such offers shall have their employment terminated and they shall thereafter retain no rights under the collective agreement including loss of any further right of recall.

11. Regular full-time employees receiving severance pay under this provision shall not be eligible for any additional severance pay-out under sections 9.02 and 21.00 of the Agreement. Any amount payable under this provision shall be reduced by any amounts required to be paid to the regular full-time employee by the Employment Standards Act, the Labour Relations Code (part 4 – Section 54), or any successor act(s).
12. In the event of a total and permanent closure of the PNE, regular full-time employees, who are not offered comparable alternate employment under this Letter, shall have their MSP, Extended Health Benefits and Dental Plan Coverage continue for a period of three (3) months following the date of their termination, provided they pay the full amount of their share of the premiums for such coverage on or before their termination and provided further that they have not received at least three (3) months' notice of such closure.

This letter applies only to PNE Operations. It is appended to and forms part of the Agreement that expires December 31, 2016. It expires automatically with the expiry of that agreement.

The following governs the sale of draft beer in concession stands by concession workers:

1. Draft beer may be sold in concession stands by concession workers, who shall receive their regular straight time rate of pay.
2. Bartenders on the seniority list, as of the date of the execution of this Agreement, shall not lose any hours of work, as a result of the change involved in the sale of draft beer in concession stands by concession people.
3. The Employer shall indemnify and save harmless employees under the following conditions:
 - a) This clause replaces section 28.03 in the Agreement.
 - b) Civil Actions

Except where there has been flagrant or wilful negligence on the part of the employee, the Employer agrees not to seek indemnity against an employee whose actions result in a judgement against the Employer. The Employer agrees to pay any judgement against an employee arising out of the performance of his duties. The Employer also agrees to pay any legal costs incurred in the proceedings including those of the employee.

- c) Criminal Actions

- e) Legal Services

At the option of the Employer, the Employer may provide for legal services in the defence of any legal proceeding involving the employee, (as long as no conflict of interest arises between the Employer and the employee), or pay the legal fees of counsel chosen by an employee.

Re: Playland Tool Allowance

This letter is appended to and forms part of the Agreement that expires December 31, 2016. It expires automatically with the expiry of that agreement.

The Employer's policy of paying Playland employees a tool allowance shall continue. The Employer may, at its discretion, increase the amount paid to employees pursuant to this policy after October 12, 2011. In addition to this tool allowance, personal tools for which this tool allowance is paid (i.e. tools that are to be used primarily in the employee's employment with the Employer) that are broken, after October 12, 2011, as a result of proper usage by the employee in his/her assigned work duties (not normal wear and tear) shall be replaced by the Employer. Tools that are lent to another employee and which are broken by such other employee in the proper usage of his/her assigned duties are not covered by this replacement policy unless the Employer has approved of the tool being lent before it is broken. Re: Dirty Pay Premium

This letter is appended to and forms part of the Agreement that expires December 31, 2016. It expires automatically with the expiry of that agreement.

This Letter addresses the intent of article 13.08 of the collective agreement. The last sentence of this article establishes that the parties **shall** discuss work that may be of an unusually dirty nature, on a case by case basis, to establish whether dirty pay premium should apply. It is not the intent of this article that regular full-time employees and casual employees are to routinely receive dirty pay premium when they are performing their normal classification duties. This article does however recognize that unusually dirty situations may arise on a case by case basis, when it would be appropriate for regular full-time employees and casual employees to receive dirty pay premium, even though they are performing their normal classification duties.

It is the intent of this article that the applicable Manager, or designate and the applicable Union shop steward discuss such situations (for example **but not limited to:** shovelling farm manure in some limited situations; hotsy work in some limited situations; greasing equipment in some limited situations; **handling bird/rodent droppings in some limited situations; handling human vomit/faecal matter in some limited situations, working in extreme dust in some limited situations**) to establish whether mutual agreement exists for the payment of dirty pay premium in such situations.

When the parties mutually agree that dirty pay premium applies in any such situation, such agreement shall be on a without prejudice basis and shall not represent a precedent. In other words, all such agreements are intended to be one-off in nature.

Re: First Aid Certificates

This letter is appended to and forms part of the Agreement that expires December 31, 2016. It expires automatically with the expiry of that agreement.

Recognizing the problem that the Employer has in ensuring that there are a sufficient number of employees at work having first aid tickets to meet the requirements of the WCB Regulations, the Labour/Management Committee shall meet within sixty (60) days of August 17, 2001, to develop a mutually agreeable solution to this problem. This solution shall, among other things, involve finding a sufficient number of volunteers from the bargaining unit to take level II first aid certificates to ensure that the Employer's needs for first aid coverage are met, while ensuring that the principal of seniority is maintained. In addition, the parties shall discuss increasing the quantum of the first aid premiums so that more people are willing to volunteer to get tickets. The Union understands that the Employer has a legitimate need to have first aid coverage to meet WCB requirements and will use its best efforts to assist the Employer in finding a sufficient number of volunteers to meet this need, recognizing should this effort fail, that the Employer may, on occasion, be forced to utilize employees having the first aid tickets it requires out of normal seniority order in order to meet its legal requirements.

Re: Mobile Equipment Replacement

This letter is appended to and forms part of the Agreement that expires December 31, 2016. It expires automatically with the expiry of that agreement.

This letter is written in recognition of the Union's concern about the potential layoff of regular full-time employees as a result of a consistent failure by the Employer to replace major pieces of mobile equipment it owns and operates, which are integral to its ongoing operations.

The Employer wishes to assure the Union that it is not its intent to forego replacing major pieces of mobile equipment it currently owns and operates, which are integral to its ongoing operations, when such failure would result in the layoff of regular full-time employees who would normally operate such equipment, provided always that it is practical from both an operational and financial perspective to replace any such piece of equipment. It is understood that this letter refers only major pieces of mobile equipment (as defined herein) owned and operated by the Employer prior to August 17, 2001, (e.g. backhoe/front-end loader, dump truck and giraffe).

Re: Playland Vacation Scheduling Trial

This letter is appended to and forms part of the Agreement that expires December 31, 2016. This Letter expires automatically with the expiry of that Agreement unless it is otherwise renewed by the Parties. This Letter may be cancelled by mutual agreement of the parties on December 31st, 2014 and on each December 31st of each calendar year thereafter. If either party wishes to cancel this Letter, it will provide the other party with sixty (60) calendar days’ notice of such cancellation, in order to provide opportunity for the parties to discuss any such cancellation.

Within ninety (90) calendar days of the completion of the 2011 Annual Fair, the parties shall meet [two (2) representatives appointed by each side] to develop the terms and conditions of a Vacation Scheduling Trial in the Playland Division, whereby regular full-time Playland employees will be permitted to sign-up for vacation in each year.

Without limiting the matters that may be discussed and agreed to by the parties, the following terms and conditions must apply to this trial:

- a) The Employer must be satisfied that its operational requirements will continue to be best met during the term of the trial, in order for the trial to proceed.
- b) The implementation of the trial must be essentially cost neutral (it must not cost the Employer any significant additional monies), in order for the trial to proceed.
- c) During the trial, the Employer will develop and post a vacation schedule each year, starting January 1, 2012. This schedule may contain blackout periods when no

employee is permitted to be on vacation, and/or the Employer may limit the number of employees from each classification that may be on vacation at any time. Any blackout period(s) established by the Employer shall be for bona fide operational reasons.

- d) The vacation sign-up will take place in two stages:

Stage 1 – the employees may sign up, by classification in seniority order [subject to a rotation mechanism to ensure equity of opportunity – see (e) below], for a maximum of two (2) weeks' vacation (per the times made available by the Employer).

Stage 2 – after the Stage 1 sign-up is complete, employees may sign-up for the balance of their vacation entitlement by classification in seniority order [subject to a rotation mechanism to ensure equity of opportunity – see (e) below].

- e) In order to ensure equity among employees in their opportunity to book vacation during prime vacation times, the parties shall develop a mutually agreeable rotation system in signing up for vacation so that all employees receive opportunity to sign-up for vacation in an equitable fashion over time (i.e. not the most senior employee picking first every year).
- f) Any vacation time that is not signed up for will be scheduled per article 15.06.

Re: Playland Operations – Scheduling Trial

This Letter of Understanding is appended to the 2014 – 2016 collective agreement and expires automatically with the expiry of that Agreement unless it is renewed by the parties.

The purpose of this Letter is to establish a trial in Playland Operations to hopefully address the concerns of regular full-time regarding the fact that operational requirements and short-term absences of other employees can, on occasion, result in their working more than five (5) straight workdays without receiving time off. The terms of this Letter and the trial are subject to the Employer's ability to meet operational requirements and mitigate the costs that might occur as a result of the trial.

During the term of this Letter and the trial, current articles 10.05 and 12.02 of the Collective Agreement shall be placed in abeyance and the provisions set out in this Letter shall apply instead.

This Letter and the trial can be cancelled during its term by mutual agreement of the parties, provided the party wishing to cancel provides ninety (90) calendar days written notice to the other party, and provided further that the effective date of such cancellation must occur at a time when operational requirements best permit. **Current articles 10.05 and 12.02 shall reapply after this Letter expires or is cancelled.**

During the term of this Letter, article 10.05 shall be amended to read as follows:

10.05.1 During the Division's operating season, Playland Operations employees may be scheduled to work on continuous operations schedules.

10.05.02

- a) Provided operational requirements permit, the Employer shall schedule regular full-time employees so that they do not work more than five (5) consecutive days without receiving forty-eight (48) consecutive hours off, unless overtime applies per subsection (b) below.
- b) When the Employer is required to give a full-time employee the required forty-eight (48) consecutive hours off, as above, but is unable to do as a result of operational requirements, the affected employee shall be paid the appropriate overtime rate during all time worked when he/she should have otherwise been on such requisite time off. The employee shall be advised of the operational reasons that resulted in the denied days off.
- c) Exemptions – overtime rates under subsections (a) and (b) above do not apply:
 - (i) When the Employer changes a regular full-time employee's shift starting and stopping times within a work day.
 - (ii) When, with the Employer's approval, an employee voluntarily waives his/her right to be covered by subsection (a), provided in the case of a replacement employee waiving his/her rights in order to work in another employee's stead, the replacement employee is acceptable to the Employer, or
 - (iii) For each particular regular full-time employee, three (3) times per calendar year (January – December), irrespective of reason.
- d) Seasonal employees shall receive two (2) scheduled rest days off each week.

10.05.3

- a) As much as operational requirements permit, the Employer shall notify regular full-time employees of

their regularly scheduled hours of work, at least four (4) calendar weeks in advance of such hours. Schedules established under this subsection (a) may be changed on short notice by the Employer when unforeseen circumstances require it to change employee work schedules or shift starting times, provided that the provisions of articles, 10.05.2, 10.13.1 and 10.13.2 shall apply in such cases, as applicable, recognizing that the exemptions are also applicable in such circumstances.

- b) Subsection (a) does not apply if and when an employee voluntarily waives his/her right to be covered by that subsection.
- c) The Employer shall post the regularly scheduled hours to be worked by seasonal employees each week, by the close of business on Thursday of the previous week.

During the term of this Letter, article 12.02 shall be amended to read as follows:

12.02.1 PNE Operations

- a) When, in other than emergency situations, regular full-time PNE Operations employees, other than those work a compressed work week pursuant to article 10.03, are required to work scheduled shifts outside of their normally scheduled shift, they shall be paid the rate applicable to the work they are performing, plus shift differential if applicable.
- b) When the Employer changes such regular full-time employee's shift under this subsection (12.02.1), it shall provide the affected regular full-time employee with:
 - (i) not less than forty-eight (48) hours' notice of such shift change, and
 - (ii) not less than eight (8) clear hours off between shifts.
- c) When less than forty-eight (48) hours' notice of a shift change is provided under this subsection 12.02.1, or the

affected regular full-time employee has less than eight (8) clear hours off between shifts, overtime shall be paid until such time limits have been reached.

- d) When a regular full-time PNE Operations employee has received notice of shift change under this section and such notice is cancelled prior to the start of the new shift, the above penalties shall not thereafter apply.

12.02.02 Playland Operations

- a) When the Employer changes a regular full-time or casual employee's shift and/or the shift scheduled, it shall provide such employee with not less than forty-eight (48) notice of such shift change.
- b) When less than forty-eight (48) hours' notice of a shift change is provided under subsection 12.02.2 a), overtime shall be paid until such time limits have been reached.
- c) When the Employer changes a Playland seasonal employee's shift and/or the shift scheduled, article 10.13 shall apply, as applicable.
- d) When a regular Playland Operations employee has received notice of shift change under this section (12.02.2) or under article 10.13 and such notice is cancelled prior to the start of the new shift, the applicable penalties shall not thereafter apply.

Re: Multi-Party Operational Policy – Empire Field

This Letter is appended to the 2014 – 2016 collective Agreement and shall expire automatically with the expiry of that Agreement.

This Letter recognizes that PNE employees have in the past removed garbage from Creekway Park and constructed bikeways on the PNE site, up to the boundary Empire Field.

This Letter also recognizes that the PNE, the City of Vancouver and the Vancouver Parks Board are currently developing a Multi-Party Operational Policy covering Empire Field and the immediately surrounding area. The PNE does not anticipate, based upon the tri-partite discussions to date, that the Multi-Party Operational Policy will change the status quo regarding the above practices.

The Employer shall provide the Union with the Multi-Party Operational Policy between itself, the Vancouver Parks Board and the City of Vancouver once this Policy has been executed and the Employer is authorized by the other two (2) signatories to provide the finalized policy to the Union.
