

# LOCAL 1004 2018 ELECTIONS VICE PRESIDENT CANDIDATES

## LAURENCE CAMERON

Laurence calls himself a product of the Hastings Street corridor. His youthful travels on the Hastings Express bus helped shaped who he is today.

Laurence Cameron is a senior worker in the Sanitation Branch and longtime Health and Safety advocate with particular interest in mental wellness and harm reduction. He is also passionate about helping to strengthen communities and improve the quality of life for one and all.

He is a Member of the United Way of the Lower Mainland's Campaign Cabinet Labour Committee and also Local 1004 Sanitation Unit Chair and Central Safety Committee Co-Chair.

Most recent education includes multiple credits at BCIT in Non-Profit Fundraising as well as our excellent, ongoing Union education.

In his free time, Laurence loves to enjoy music, especially live. With a deep love for new experiences, while travelling the world Lori and Laurence like to visit historic music venues and great cities.

Grateful for the encouragement and support of so many coworkers and activist friends, Laurence would be honoured and humbled, if elected, to serve as your CUPE 1004 Vice President and be tasked with helping to improve the lives of our members, their families and their communities.

In Solidarity,
