

LOCAL 1004 - 2019 ELECTIONS CANDIDATE FOR PRESIDENT

ANDREW LEDGER

Sisters, Brothers & Friends

My name is Andrew Ledger.

As the leader of CUPE 1004, I fight for the rights of our members at City & Parks, PNE & PHS, Easy Park and our smaller units. That's why I seek your support for CUPE 1004 President. I've led this Local proudly since 2014.

Long-time activist, first as a Steward, BA, and now your President. I connect with members regularly at the jobsite, and I stay in touch.

I've delivered for all members:

- respect & dignity
- more jobs in our Branches, building and delivering public services
- stronger Collective Agreements
- accessible and available leadership.

At 1004 we don't back down from a fight – like getting more full time jobs and respect for seniority. Working with our Executive, Stewards, membership and exceptional Business Agents, we win. We won in Sanitation, we won at REFM, and we will win in bargaining in 2019.

There is no question that we have to fight smarter. That's why I take political action seriously. My commitment to pushing Mayor, Council and our employers for our rights and keeping our work in house is clear.
