

LOCAL 1004 - 2019 ELECTIONS CANDIDATE FOR SECRETARY-TREASURER

FRANK LEE

Dear CUPE 1004 Members:

I am honoured to be your Secretary-Treasurer since 2005, and I ask for your continued support for the next two-year term.

As Secretary-Treasurer for the past 14 years, the Local has expanded financially and operationally – servicing and representing more bargaining units and negotiating with more employers. More employers come with collective agreements which the Local must negotiate when the contract term ends. The Local spends many hours and days in bargaining to achieve the best possible outcome for our members. The City/Parks collective agreement will expire at the end of 2019, and the Local is prepared with the resources – technical and financial for the upcoming round of negotiations.

I am committed to union education and training for our job stewards – the backbone of our union. Union education is critical in providing the tools and resources necessary for our stewards in representing members at meetings with management and human resources.

The Local is in a stable financial position and with the buildup of our new defence fund – we can better defend our members and create opportunities for future growth and expansion.

I ask for your support – please vote for Frank Lee – Secretary-Treasurer!

Thank You CUPE 1004 members!
