

LOCAL 1004 - 2019 ELECTIONS CANDIDATE FOR PRESIDENT

MIKE LUPO

Michael Lupo - For president of CUPE Local 1004

A vote for Michael Lupo is a vote for a stronger, united 1004.

I have been a proud 1004 streets member for 8 years, a shop steward for 7.5, and an acting sub II for 6 years. I have been a very active member for the local by being on the labour management committee, being the occupational health and safety representative. I have spent 4 years on the executive board, staff relations committee, CUPE BC's Indigenous committee, and the national Aboriginal council for CUPE national.

I have worked in the trenches side by side with my sisters and brothers, of all departments.

With my calm and competent demeanor, I will represent 1004 with integrity, honesty, fairness, transparency, accuracy, and respect in all aspects of business conducted, internally and externally. I will fight for better wages, benefits and stronger language in the collective agreement.

I value all members concerns, big or small, and I will be present in the field to see and hear your problems, first hand.

A vote for Michael Lupo is a vote for change!

I endorse Scott McIntosh for Secretary Treasurer of CUPE 1004.
