

LOCAL 1004 - 2021 ELECTIONS CANDIDATE FOR PRESIDENT

ANDREW LEDGER

Sisters, Brothers & Friends,

My name is Andrew Ledger.

As leader of CUPE 1004, I fight for our members at City & Parks, PNE & PHS, Easy Park and all of our units. That's why I seek your support for re-election as CUPE 1004 President.

As a long-time activist, first as Steward, Business Agent, and, since 2014 your President, I stay in touch with members regularly.

Over the last 7 years as your President we've delivered:

- stronger Collective Agreements,
- respect & dignity,
- more jobs in our Branches delivering vital services,
- accessible and available leadership.

At 1004 we don't back down – like respect for seniority and fair contracts. Working with our Executive Board, Stewards, members and staff, we win. Now, more than ever, we need experience and strong leadership to face our challenges.

We must fight smarter, as we work protecting jobs and improving health and safety in the face of COVID-19. That's why I take political action seriously, and I commit to keep on pushing elected officials and employers for our rights.

I won't stop working with you and all members to build our union even stronger.
