

LOCAL 1004 - 2021 ELECTIONS CANDIDATE FOR TRUSTEE

DEBORAH SKERRY

I would be honored to serve the C.U.P.E. 1004 membership in the position of Trustee. I have been a CUPE member in good standing since 1992.

I have worked with C.U.P.E. staff as the Alternate for the Bargaining Committee, in the last session; and on-site, as the Union member on the Occupational Health and Safety Joint Committee at the P.N.E.. I have learned many things from the C.U.P.E. staff, executives, and administration; and I thank them for their service.

If elected as a Trustee I would act with honesty and integrity in overseeing and safeguarding the integrity of Union expenditures and accounting.

My working career began at The Canadian Imperial Bank of Commerce and my training there will guide me in my work as a Trustee; where I balanced the bank to the penny each day. I have also worked for Statistics Canada, in Census, and therefore; I am very familiar with members privacy concerns and data collection and would also protect member interests.

I hope to bring a fresh perspective to the position.

Thank you.
Deborah Skerry
