

LOCAL 1004 - 2021 ELECTIONS CANDIDATE FOR SECRETARY-TREASURER

FRANK LEE

Dear CUPE 1004 Members:

I am honoured to be your Secretary-Treasurer since 2005, and I ask for your continued support for the next two-year term.

As Secretary-Treasurer for the past 16 years, I have seen our Local grow in the number of members, bargaining units and employers. The Local has faced many challenges – including a 13 week strike in 2007, two building fires with our offices relocated, and a 22-month administration period enforced by the national union. We have overcome these crises and prepare for future uncertainties.

2020 was a challenging year for Local 1004. With the ongoing pandemic, some of our workforce continue to have layoffs and work reduction. It has affected our income, and how we interact with members and employers.

I will monitor our income and expenses and try to anticipate potential deficits or surpluses. I will report our financial status on a monthly basis as required in the Local Bylaws.

The Local is in a stable financial position despite the challenges of the pandemic and will continue to provide core services for our members.

I ask for your support – please vote for Frank Lee – Secretary-Treasurer!

Thank you CUPE 1004 members!
