

# LOCAL 1004 - 2021 ELECTIONS CANDIDATE FOR PRESIDENT

## MICHAEL LUPO

Michael Lupo – For President of CUPE Local 1004

A vote for Michael Lupo is a vote for a stronger, united 1004.

A proud active 1004 member of the Streets Dept. for the past 10 yrs.

Within the first year of working for the City of Vancouver, I recognized the need to get involved with the union, to make a difference, a positive change. The support from the members has given me the opportunity to represent them as a Shop Steward, OHS, Labor Management and Executive Board Member.

As of this year I was posted to a Sub II position in the Streets Dept. and acted as a Sub II with Urban Issues.

The voice of the members, YOUR VOICE, YOUR ISSUES, will be my greatest concern. As a strong supportive leader, I will fight for better wages and stronger language in each collective agreement while representing ALL 1004 members with equality, honesty, integrity, transparency and respect while conducting union business internally and externally.

I have worked in the trenches with members from all depts. and look forward to hearing from you all in the future.

A vote for Michael Lupo is YOUR VOTE FOR STRONG POSITIVE CHANGE.
