

# LOCAL 1004 - 2021 ELECTIONS CANDIDATE FOR SECRETARY-TREASURER

## ZOE TOWLE

Sisters, Brothers and Friends

I have been a union activist my entire career, including my 13 years as a CUPE 1004 member. I have been a steward, and for the last 7 years a trustee. As a trustee, I gained an intimate knowledge of the union's finances and financial processes that positions me to transition to secretary-treasurer on Day One.

The impact of COVID will be prolonged and far-reaching. Under the guise of COVID austerity, employers will likely engage in coordinated assaults against our collective agreements and hard-fought rights.

CUPE 1004 must be ready to defend against those attacks, and that means having the financial means to do so.

As your Secretary-Treasurer, I WILL:

- Create room in the budget to defend against attacks on our rights,
- Increase transparency and communication about the budgeting process and financial statements.

I welcome the opportunity to discuss my platform in greater detail, and have included my personal cell and email below.

In Solidarity,

Zoe Towle

Candidate for Secretary-Treasurer
