THIS AGREEMENT made and entered into as of April 23, 2024

BETWEEN:

CITY OF VANCOUVER

(hereinafter called “the Employer”)

OF THE FIRST PART

AND:

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL NO. 1004
(VANCOUVER CIVIC EMPLOYEES’ UNION)

(hereinafter called “the Union”)

OF THE SECOND PART

WHEREAS:

The Employer is an employer within the meaning of the Labour Relations Code of British Columbia, 1992.

The Union is the bargaining authority for the “Outside Employees” being the following classes of employees, namely:

Cemetery; Bridge Tender; Roads, including pavements; construction, which includes Machine Shop, Carpenter Shop, Blacksmith, Paint Shop, Water Meter Shop, Garage, Gas Station Attendants; Scavenging, which includes Sweepers, Flushers, Watchmen and Incinerator Workers; Sewers and Waterworks, at Vancouver, B.C. except those excluded by the Labour Relations Code.

THIS AGREEMENT shall constitute the wages and working conditions of the employees so certified.

1. **TERM OF THE AGREEMENT**

This Agreement shall be for a term of four (4) years with effect from 2023 January 01 to 2026 December 31, both dates inclusive. Should either party hereto at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party hereto to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and neither party shall make any change or alter the terms of this Agreement until:

- (a) The Union can lawfully strike in accordance with the provisions of Part 5 of the Labour Relations Code: or

- (b) The Employer can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
- (c) The parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever is the earliest.

It is understood and agreed between the Employer and the Union that the operation of subsections (2) and (3) of Section 50 of the Labour Relations Code is hereby excluded from and shall not be applicable to this Agreement.

2. DEFINITIONS

2.1 The following terms defined in this clause unless otherwise specifically provided herein, shall have for the purposes of this Agreement the meanings hereinafter specified:

- (a) "Regular Full-Time Employee" means an employee who is employed on a full-time basis of 35, 37½, 40 or such other number of weekly hours as is recognized in this Agreement as normal for a particular class of positions, for an indefinite period of time;
- (b) "Temporary Full-Time Employee" means an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time (which may be extended or cut short by circumstances which could not be foreseen at the time of hiring);
- (c) "Regular Part-Time Employee" means an employee who is employed on a Regular Part-Time schedule of weekly hours which are less than the number constituting full-time employment for a particular class of positions, for an indefinite period of time;
- (d) "Auxiliary Employee" means an employee other than an employee defined in Clauses 2(a), 2(b) and 2(c);
- (e) "Callout" means a call back to work of any employee by the Employer under Clause 7.6;
- (f) "Overtime" means the work scheduled by the Employer under Clause 7.1 and in accordance with any existing Guidelines in each Branch or Work location;
- (g) "Standby" means a requirement by the Employer of any employee to stand by for a call to work under Clause 7.5.

3. UNION SECURITY

All present employees who are now members of the Union shall remain members of the Union. All persons employed on or after 12 April, 1974, shall apply to the Union to become members thereof by the pay period immediately following completion of thirty (30) calendar days of employment. All present employees who are now members of the

Union and those employees who subsequently become members of the Union shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union dues that all other members of the Union are required to pay to the Union nor shall any employee be deprived of employment by reason of the refusal of the Union to admit such employee to membership in the Union.

All employees covered by the Union Certificate of Bargaining Authority and all Union members acting in exempt positions shall pay to the Union an amount equal to the Union's dues, such payment to be made by payroll deduction. The deduction shall be back-dated to the date the employee commences work provided the employee is still in the employ of the Employer on the final day of the first pay period. Where appropriate, the first deduction shall be prorated and deductions for all subsequent pay periods shall be made provided an employee works any part of the pay period.

Labour-Management Committee

The Employer and the Union agree that a Labour-Management Committee be set up in each Branch to seek solutions to mutual problems and to achieve mutual objectives.

4. RIGHTS OF MANAGEMENT

Any rights of management which are not specifically mentioned in this Agreement and are not contrary to the Agreement shall continue in full force and effect for the duration of this Agreement, always provided that in the exercise of the aforementioned management rights there shall be no discrimination.

5. REMUNERATION

5.1 Pay Schedules

The scale of remuneration set out in Schedule "A" attached shall apply during the term of this Agreement.

5.2 Pay Days

The wages of the employees covered by this Agreement shall be paid every second Friday, PROVIDED HOWEVER that where the pay day falls on a public holiday, as provided for in Clause 10.3(a), then the employees shall be paid on the last working day immediately preceding such day. For the purpose of this sub-clause only, a working day means a regular working day of the office employees at the City Hall.

5.3 Effective Date for Individual Adjustments

Individual pay adjustments arising from periodic increments, reclassifications, revaluations and promotions (but not for acting in a higher capacity) are to commence

at the beginning of the bi-weekly pay period the first day of which is nearest the calendar date of the pay adjustment.

Employees assigned to act in a higher classification shall receive the rate of pay for the work performed.

5.4 Definition of a Day and a Week

For the purpose of computing pay other than overtime, the end of each day shall be midnight and the end of a week shall be Thursday midnight (except for employees on Schedule "B" annexed hereto who start their normal shifts before midnight and finish after midnight, in which case the end of the scheduled shift shall be the end of the day). For the purpose of computing overtime pay, the end of a week shall be Sunday midnight. These definitions of a week are not to alter in any way the definition of "normal work week" outlined later in this Agreement under the clause headed "Working Conditions".

5.5 Trades Adjustments

Where a specific Journeyman Trades, Trades II and/or related supervisory class(es) has been identified by the Employer as difficult to recruit for or to retain employees in, the Employer may temporarily increase the rate of pay for the trade and/or related supervisory class(es). The Employer will provide written notification to the Union before implementing a Trade Adjustment.

Such temporary increases will be reviewed annually on July 31 or such other date as mutually agreed between the parties. Upon such annual review, if the rate of pay for a specific Journeyman Trade or Trades II class is found to be above market then the rate of pay for the classification and/or its related supervisory class(es)/positions may be adjusted by the Employer to reflect the new market conditions. Those employees who would be adversely affected by such an adjustment shall remain at their current rate until such time as the general negotiated increases result in a rate that matches or exceeds the employee's current rate, at which time employees shall again become eligible for subsequent general increases.

It is understood that the Employer may make adjustments to individual classes/positions to address market and recruitment issues and that it is not required to apply such adjustments across all Journeyman Trades, Trades II or their related supervisory classes/positions.

6. WORKING CONDITIONS

6.1 Work Methods

The City Engineer shall be responsible for setting the hours of work within the normal work day and at all times for deciding the methods by which employees shall work under the terms of this Agreement.

6.2 Hours of Work and Work Weeks

- (a) Except as otherwise provided for in this Agreement, the normal work week shall be Monday to Friday. The normal hours of work shall consist of any eight (8) hours between 7:00 a.m. and 5:00 p.m.

Except as otherwise provided in the Agreement, no eight (8) hour shift shall be spread over a period of longer than eight and one-half (8½) hours with one-half (½) hour off for lunch.

- (b) Where the Employer's operations require work weeks other than Monday to Friday or hours of work other than eight (8) hours between 7:00 a.m. and 5:00 p.m., such adjustments shall be by mutual consent between the Employer and the Union and such consent by the Union shall not be unreasonably withheld. Such adjustments shall be reflected in Schedule "B" and further adjustments of an on-going nature agreed upon during the term of the Agreement shall be added thereto.

Where the Employer believes that the Union has unreasonably withheld their consent to hours of work adjustments the grievance procedure shall be deemed to be exhausted and the Employer may refer the matter to the Expedited Dispute Resolution Procedure outlined in Schedule "I" to the collective agreement.

- (c) (i) Except where a provision in the Agreement or a currently accepted practice specifically contemplates otherwise, (for example, the Overtime, Callout and non-standard work week provisions) employees shall have not less than eight (8) consecutive hours free from work between each shift worked and not less than thirty-two (32) consecutive hours free from work each week.
- (ii) Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (d) The eating period provided under (a) above shall be scheduled so as to prevent any employee from working more than five (5) consecutive hours without an unpaid eating period.

6.3 Rest Periods

Two (2) rest periods of ten (10) minutes each will normally be allowed to each employee during the working shift. In as far as practicable, the first shall be taken midway between the start of the shift and the lunch period and the second midway between the lunch period and the end of the shift. The City Engineer or representative shall determine the time and the manner in which an employee's rest period may be taken and in the event of emergency such rest period may be cancelled.

6.4 Daily Guarantee

- (a) Subject to the provisions of Clause 6.4(c), an employee reporting for a scheduled shift on the call of the Employer, shall receive their regular hourly rate of pay for the entire period spent at the place of work, with a minimum of two hours' pay at the regular hourly rate.
- (b) Subject to the provisions of Clause 6.4(c), an employee other than a school student on a school day who commences work on a scheduled shift, shall receive the regular hourly rate of pay for the entire period spent at the place of work, with a minimum of four hours' pay at the regular hourly rate.
- (c) In any case where an employee (i) reports for a regular shift but refuses to commence work, or (ii) commences work but refuses to continue working, the employee shall not be entitled to receive the minimum payments set forth in Clause 6.4(a) and 6.4(b).

6.5 Change of Shift for Emergency Conditions

Notwithstanding any other clause in this Agreement, when, because of emergency conditions caused by snow, ice, flooding, wind, earthquake or other like circumstances, an employee is required to work on shifts other than the normal day shift as defined in Clause 6.2, the employee shall receive the regular rate of pay, or the regular rate of pay for the class of work performed, whichever is higher, for each of the first three (3) consecutive shifts so worked, plus shift premium which shall be paid in accordance with Clause 6.8.

If the emergency condition continues beyond three (3) days, such employee shall be paid the first eight (8) hours of the fourth and subsequent shifts at straight time for the class of work performed, plus shift premium, which shall be paid in accordance with Clause 6.8, provided that the employee is required to work on shifts other than the normal day shift as defined in Clause 6.2.

No travel time shall be allowed under this Clause 6.5.

An employee hired specifically for emergency work shall be paid straight time for the first eight (8) hours per shift, according to classification, regardless of the time of such shifts. Overtime rates shall apply after eight (8) hours' work in any shift.

6.6 Change of Normal Shifts (Other than Emergency Conditions)

When conditions arise (other than emergency conditions) requiring employees to work on organized shifts other than their normal shifts, they shall be paid their standard rate of pay plus the approved shift premium.

6.7 Split Shifts

- (a) A split shift occurs when an employee starts a normal shift but is sent home to return for emergency work later in the day.
- (b) Where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.
- (c) In cases of emergency including snow clearing, sanding of streets, flooding or like circumstances, making it necessary for an employee to work a split shift in order to carry on work outside the normal work day, standard rates shall prevail until a total of eight (8) hours has been worked.
- (d) One (1) hour extra at straight time will be allowed for travelling time.

6.8 Shift Premium

Regular Full-Time Employees shall be paid a shift premium of one dollar (\$1.00) per hour for all regular hours worked before 6 a.m. and after 6 p.m., provided that where the majority of an employee's regular hours of work fall outside the period described above, the shift premium shall apply to the entire shift.

Effective January 1, 2025

6.8 Shift Premium

Regular Full-Time Employees shall be paid a shift premium of one dollar and seventy-five cents (\$1.75) per hour for all regular hours worked before 6 a.m. and after 6 p.m., provided that where the majority of an employee's regular hours of work fall outside the period described above, the shift premium shall apply to the entire shift.

7. OVERTIME, CALLOUT AND STANDBY

7.1 Definition

Overtime shall be defined for Regular Full-Time Employees as:

- (i) time worked immediately following the employee's regular shift;

- (ii) time worked immediately preceding the employee's regular shift where it has been prescheduled by notice provided prior to the end of the employee's previous shift;
- (iii) time worked at any other time where it has been prescheduled by notice provided prior to the end of the employee's regular shift except as otherwise provided in Clause 10.3.

7.2 Overtime Pay

Regular Full-Time Employees who elect to be paid for overtime worked shall be paid for the performance of overtime work scheduled by the Employer under Clause 7.1 at the following overtime rates:

- (i) time and one-half the regular rate of pay for the first two (2) hours of overtime worked immediately preceding or immediately following an employee's regular shift;
- (ii) double the regular rate of pay for all overtime in excess of the first two (2) hours thereof worked immediately preceding or immediately following an employee's regular shift;
- (iii) double the regular rate of pay for all overtime worked at any other time than at the times set forth in items (i) or (ii) of this clause. Employees shall be paid a minimum of one and one-half (1½) hours at double time for overtime worked pursuant to this paragraph (iii).
- (iv) Overtime work will be scheduled in accordance with existing Overtime Guidelines.
- (v) Amendments to existing Overtime Guidelines shall be by mutual agreement, which will not be unreasonably withheld.

7.3 Compensating Time Off (C.T.O.)

- (a) Every employee who is required to work overtime, or work on a public holiday, shall at the time of working overtime or at the time of working on a public holiday, elect whether to be paid therefor or receive compensating time off in lieu thereof. Thereafter, the method of compensation selected will not be changed unless the Supervisor is notified otherwise. Employees who work overtime or work on a public holiday outside of their home branch will be paid therefor without the option to receive compensating time off in lieu thereof unless the required overtime work is related to snow response.

An employee who elects to receive compensating time off in lieu of being paid overtime or for time worked on a public holiday shall be credited with compensating time off equivalent to the number of hours that would have been paid at straight time for the overtime so worked, at the rate or rates of pay in effect at the time such overtime was worked, subject to the following conditions:

- (i) Time off in lieu of overtime and work on public holidays may not be added to the annual vacation if any part of the vacation falls within the period from June 15th to September 15th, except as provided in Clause 7.3(b).
- (ii) If the employee does not receive all of the compensating time off by 31 March of the year following the year in which the overtime was worked giving entitlement to such compensating time off, or prior to leaving the service of the Employer for any reason (whichever event occurs first), the employee shall be paid in cash for the overtime for which no compensation was received at the rate or rates of pay in effect at the time such overtime was worked.
- (iii) Time off in lieu of overtime, or work on public holidays, may be taken in single or multiple days, and must be approved by the employee's Branch Superintendent.
- (iv) Employees required to work on public holidays shall receive eight (8) hours' pay at straight time in accordance with Clause 10.3(b) for the public holiday so worked.

It is understood that employees now working on public holidays will continue to do so.

- (b) Upon written application of individual employees, the City Engineer may permit the requirements of Clauses 7.3(a)(i) and 7.3(a)(iii) herein to be relaxed if conditions in the Branch permit. The Union recognizes that conditions vary from Branch to Branch and that the relaxation of requirements will vary from Branch to Branch.
- (c) Cost Recovery

Where an employee works overtime and/or is called out to deal with situations where the Employer is able to recover the overtime and/or callout costs from the Provincial Emergency Program, the Employer shall have the option of paying the employee for such overtime and/or callout, or granting the employee compensating time off in lieu of being paid for such overtime and/or callout.

7.4 Time Lost Through Lack of Work or Sickness

Any employee who is sent home during the normal work week because of lack of work, or who has not completed forty (40) hours' work at their standard rate of pay in that week due to sickness in respect of which a certificate from a duly qualified medical practitioner has been provided, shall be paid overtime rates for all work performed outside normal working hours or on the employee's normal scheduled rest days, as if the regular shifts had been worked unless such hours are due to a change in shift as outlined in the Clauses 6.5 and 6.6 on "Change of Shifts". Overtime rates, however, shall not be paid an employee who, in the opinion of the City Engineer, has been absent without adequate

reason and who therefore has not completed forty (40) hours of work at the standard rate of pay in that work week.

7.5 Standby

- (a) Employees who are designated to stand by between the end of a normal day shift on the first day of work in a normal work week (excluding public holidays) until the beginning of the normal day shift on the last day of work in the normal work week shall be paid one (1) hour's pay at the employee's rate of pay (except where the special rate of pay to be paid Waterworks and Sewers employees applies under Clause 7.5(d)) for each period of eight (8) hours that the employee stands by in addition to any callout pay entitled under Clause 7.6.
- (b) Employees who are designated to stand by for a call to work at any other time (that is during public holidays and weekends) shall be paid one (1) hour's pay at the employee's rate of pay (except where the special rate of pay to be paid to Waterworks and Sewers employees applies under Clause 7.5(d)) for each period of six (6) hours that the employee stands by in addition to any callout pay entitled under Clause 7.6.
- (c) Where the period of time which an employee stands by exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the residual balance shall be compensated as follows:
 - (i) one-half ($\frac{1}{2}$) hour's standby pay for periods of half or less than half of the full period.
 - (ii) one (1) hour's standby pay for periods of more than half of the full period.
- (d) Where an individual employee of the Waterworks or Sewers Branch is on standby, the employee shall be paid not less than that employee's regular classified rate or the regular classified rate of Site Supervisor II whichever is the greater while on standby and during a resulting callout.

Where two or more employees of the Waterworks or Sewers Branch are on standby as a work unit or crew, then the employee who is designated as being in charge of the work unit or crew shall be paid not less than that employee's regular classified rate or the regular classified rate of Site Supervisor II whichever is the greater while on standby and during a resulting callout.

7.6 Callout

- (a) Callout is to be defined for Regular Full-Time Employees and Temporary Full-Time Employees as being called back to work at any time following completion of an employee's regular shift except when prescheduled by notice provided prior to the end of the employee's previous regular shift which is defined as overtime in Clause 7.1.

- (b) An employee who is called back to work shall be paid double the rate of pay for the time actually worked plus one (1) hour's allowance at double the rate of pay for travelling to and from home, with a minimum of three (3) hours' pay at double the rate of pay. (The minimum includes one (1) hour for travelling time.)
- (c) If additional calls are made upon the employee prior to the expiry of the three (3) hour period or prior to the employee's arrival home, whichever last occurs, such additional calls shall not attract an additional three (3) hours minimum, but the employee shall be paid for the time actually worked plus an additional 1 hour's allowance at double the rate of pay for travelling to and from home. If two separate callouts are completed within a three (3) hour period, the minimum payment shall be four (4) hours at double the rate of pay. (The minimum includes two (2) hours for travelling time.)
- (d) Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

8. SPECIAL PREMIUM PAY

8.1 Travel Time

- (c) Regular Full-Time Employees, who are required to wear safety work boots in accordance with WorkSafeBC regulations, shall be paid an allowance of seventy-five dollars (\$75.00) annually to be put towards the purchase of CSA approved boots. This allowance shall be paid annually in November.

Effective January 1, 2025:

Regular Full-Time Employees, who are required to wear safety work boots in accordance with WorkSafeBC regulations, shall be paid an allowance of one hundred dollars (\$100.00) annually to be put towards the purchase of CSA approved boots. This allowance shall be paid annually in November.

16.3 Washing of Trucks and Equipment

It is understood and agreed that the washing of Employer's trucks and equipment shall be part of the normal duties of the drivers and operators using such trucks and equipment, as and when such instructions for washing are given by the City Engineer or representative.

16.4 Rules for Determining Welding Work to be Done by Garage Section

The Employer agrees that welding work done by garage employees will be in accordance with a letter from the Deputy City Engineer dated 1997 July 17 as appended to this Collective Agreement.

16.5 Employee Tools and Equipment

In any cases where Tradesperson or other employees are required by the Employer to provide their own hand tools, and where such hand tools are broken as a result of such employees carrying out their required duties and responsibilities in a proper manner, then the Employer shall pay the cost of replacing such broken hand tools, unless the employee is able to effect replacement without cost to the employee under the terms of a guarantee or warranty.

The Employer will provide theft and fire insurance for employee-owned tools and equipment that are used in the work and are required by the Employer provided that the employee submits a list of items for approval annually. Such coverage does not extend to motor vehicles or other forms of transportation such as bicycles but does include rain gear used in the work. The coverage has a fifty dollar (\$50.00) deductible payable by the employee and proof of theft will be required by the Employer.

The City shall reimburse Mechanics and Journeyperson - Autobody Workers who are required to supply and use their personal tools in the performance of their duties, in the amount of an annual non-accumulative limit of one hundred fifty dollars (\$150.00) per affected employee, upon proof of expenditure, for the replacement of misplaced tools or for the purchase of approved new tools.

16.6 Personnel Records

- (a) A copy of any written material concerning any disciplinary action (including reprimands) affecting an employee shall be given to the employee as soon as possible after it is recorded in the personnel file. The Employer shall forward a copy of all disciplinary letters to the President of CUPE 1004. A breach in this regard shall not void the discipline. It is agreed that Letters of Expectation are non-disciplinary documents.
- (b) An employee shall be given a copy of any document placed in the employee's file which might be the basis of disciplinary action. Should an employee dispute any such entry in the file, that employee shall be entitled to recourse through the grievance procedure contained in Clause 15. The Employer agrees not to introduce as evidence in any hearing arising from a disciplinary grievance any document from the personnel file of an employee the existence of which the employee was not aware of at the time of filing.
- (c) Upon receiving permission from the General Manager or designate, an employee may review the contents of their personnel file provided that such review is in the presence of a person authorized by the General Manager or designate.
- (d) For the purpose of this clause 'personnel file' refers to the single official personnel file maintained by the Employer in the Department in which the employee is working.
- (e) If more than four (4) years have elapsed from the date a disciplinary letter was issued, and no further incident of misconduct has occurred since the date of issue, such a letter will no longer form part of the employee's discipline record. After this, an employee may apply to have such a letter removed from their personnel file.

16.7 Disabled Employees

The Employer and Union agree to cooperate with each other in making every reasonable effort to provide opportunities for older employees or employees with disabilities to retain employment, recognizing the Employer is not obliged to create work as part of the accommodation process.

16.8 Exempt Positions

- (a) No employee shall act in one or more exempt position(s) for more than twelve (12) consecutive months or a total of twelve (12) months within a twenty-four (24) month period.
- (b) As per Clause 3, employees acting in exempt positions will continue to pay union dues which will be calculated on the basis of their acting rate of pay.

16.9 Union Representation

Both parties agree that an employee has the right to have a Job Steward or other Union Representative present when disciplinary action may be taken (warning, suspension, termination) or during attendance management meetings. This clause shall not apply to workplace discussions that are of an operational or remedial nature, and which will not form part of the disciplinary record, except for attendance management meetings. Nothing in this provision shall prevent the Employer from taking immediate action in addressing serious workplace violations.

The Employer will provide the Union with the opportunity to present for up to fifteen (15) minutes during new employee orientation during work hours when more than eight (8) employees start at one location on the same day.

17. HEALTH AND SAFETY

17.1 Central Safety Committee

A Central Safety Committee shall be established consisting of one (1) safety steward from each Branch Safety Committee, as elected by the CUPE Local 1004 members in the Branch, and two (2) Union appointees who shall be employees or members of CUPE Local 1004, and an equal number of representatives appointed by the Employer. The Central Safety Committee shall discuss matters relating to occupational health and safety and shall make recommendations to the City Engineer or designate.

17.2 Safety Precautions

All relevant regulations of the Workers' Compensation Board as to safety measures affecting any employee covered by this Agreement shall be observed and adhered to.

17.3 Transportation of Employees in Trucks

The City Engineer or designate agrees to instruct the appropriate supervisors that no employee shall be transported in the back of a truck unless the employee is properly seated and the relevant provisions of the Workers' Compensation Board Regulations and the Motor Vehicle Act are adhered to.

17.4 Human Rights

The Employer and the Union agree that any form of discrimination (including sexual harassment) under the prohibited grounds of the B.C. Human Rights Code shall not be

tolerated in the workplace. The prohibited grounds of discrimination under the BC Human Rights Code are: race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex (including gender identity or gender expression), sexual orientation, age and criminal or summary conviction for an offence that is unrelated to the employment of that person.

18. JOB EVALUATION

(a) Class Specifications

The Employer shall establish and maintain class specifications describing the nature of the duties, level of responsibility and the requirements of positions covered by this Agreement and will provide the Union with copies of same.

(b) Reclassification of Existing Positions

Where the nature of the duties, level of responsibilities and requirements of a position have changed significantly or the position is allocated inappropriately to one of the class specifications covered by the collective agreement, a request for review may be submitted to the Employer by the incumbent employee or the Union.

Upon completion of the review, the Employer and Union shall discuss the results and if the matter is not resolved within sixty (60) calendar days, the Union may refer the matter directly to the Board of Arbitration referenced in the grievance procedure of the Collective Agreement.

Reclassifications shall be retroactive to the date of the request provided the employee has submitted the required documentation supporting the initial request in a timely manner.

(c) Classification of New Classes of Positions

Where the Employer establishes a new class specification, the Employer shall set an appropriate rate within the context of Schedule "A". If the rate set by the Employer for that class is disputed by the Union, the Employer may implement the new rate subject to the Union's right to arbitrate the rate of pay for the class. The Employer and Union shall discuss the disputed rate to ensure that it is set appropriately in the context of the Schedule "A" rates, and if not resolved within sixty (60) calendar days, the Union may refer the matter directly to the Board of Arbitration referenced in the grievance procedure of the Collective Agreement.

(d) Pay Adjustments Resulting from Reclassification

In the event an employee's position is reclassified downwards then the incumbent shall be treated, at the discretion of the Employer, in accordance with one or the other of the two following methods:

- (1) The incumbent shall have their base rate of pay reduced to the recommended new level for the class effective the date of reclassification

and at the earliest reasonable opportunity following such reduction be paid a lump sum equivalent to four thousand one hundred and seventy-six (4176) times the hourly difference between the previous base rate and the new reduced base rate for the position. It being understood that any period subsequent to the effective date of reclassification which has already been paid at the higher level shall be deducted from such lump sum owing; or

- (2) The incumbent shall be maintained at the base rate for their previous classification for a period of up to two (2) years from the effective date of the downward reclassification. During this time the Employer shall have the right to place the incumbent in an available position of the same classification as was previously held. If following completion of the two (2) year period the incumbent has not been placed in an available position in their previous classification or competed for and found another position then their base rate of pay shall be reduced to the recommended new level for the class.

(e) Changes in Valuation

The classification and reclassification process shall not be used to seek changes in valuation to existing positions or classes of positions in the Collective Agreement. Such matters shall be referred and dealt with as part of the next round of collective bargaining unless there is mutual agreement to submit specific disputes to a third party arbitrator.

19. TECHNOLOGICAL CHANGE

- 1) During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the Employer introduces or intends to introduce, a technological change, that:

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated;

either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an Arbitration Board constituted under Clause 15 of this Agreement, by-passing all other steps in the grievance procedure.

- 2) The Arbitration Board shall decide whether or not the Employer has introduced, or intends to introduce a technological change, and upon deciding that the Employer has or intends to introduce a technological change the Arbitration Board:

- (a) shall inform the Minister of Labour of its finding; and
- (b) may then or later make any one or more of the following orders:
 - (i) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - (ii) that the Employer will not proceed with the technological change for such period, not exceeding ninety (90) days, as the Arbitration Board considers appropriate;
 - (iii) that the Employer reinstate any employee displaced by reason of the technological change;
 - (iv) that the Employer pay to that employee such compensation in respect of the displacement as the Arbitration Board considers reasonable.

3) The Employer will give to the Union in writing at least ninety (90) days notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated.

20. EMPLOYMENT EQUITY

The Employer and the Union agree with employment equity programs which will assist Indigenous and racialized people, persons with disabilities, 2SLGBTQIA+, and women in gaining entry into employment and which will provide opportunities for advancement.

21. CONDITIONS AND BENEFITS NOT MENTIONED

Any working conditions, holiday benefits, welfare benefits, or other conditions of employment at present in force and recognized by both parties which are not specifically mentioned in this Agreement and are not contrary to its intention, shall continue in full force and effect for the duration of this contract.

22. CHANGES AFFECTING THE AGREEMENT

The Employer agrees that any reports or recommendations made to Council dealing with matters covered by this Agreement, including recommendations for changes in method of operation that may affect wage rates, work loads or reduction of employment, will be communicated to the Union at such interval before they are dealt with by Council as to afford the Union reasonable opportunity to consider them and make

representations to Council concerning them and, further, that if employees are deprived of employment by any implementation of such change they shall receive priority consideration for other employment with the Employer.

23. SCHEDULES

The Schedules attached hereto and marked with the letters "A" to "J" shall form part of this Agreement.

IN WITNESS WHEREOF the parties hereto have caused to be affixed to this Agreement their respective seals attested by the signatures of their respective proper officers duly authorized for such purpose.

SCHEDULE "D"

This is Schedule "D" referred to in
Clause 23 of this Agreement

PART I

1977 NEGOTIATIONS

The Employer and the Union agree as follows:

The following are items 21 and 24 of the Memorandum of Agreement dated June 14, 1977, and entered into between the bargaining representatives of the Employer et al and the bargaining representatives of the Union et al:

21. Compressed Work Week

With respect to the Union's proposal for a Compressed Work Week based on present hours, it is agreed that decisions regarding whether or not, and if so, to what extent compressed work weeks should be introduced into the operation of any of the Employers, should be made in local discussions between individual Employers and their respective Local Unions. It is agreed, however, that arrangements for the conversion of fringe benefits from a 5-day week basis to a 4-day week basis or to a 9-day fortnight basis shall be made in accordance with one or other of the standard formulas the details of which are set forth in Appendix "A" which is attached to this Schedule "D".

It is expressly agreed that the various formulas which are to be included within all new Agreements, are to be based upon the principle that any adjustment from a 5-day week is to be accomplished with neither any additional salary or benefit cost to the Employers nor any reduction in the salaries or benefits received by their employees.

AGREEMENTS RESULTING FROM LOCAL NEGOTIATIONS

Rotating Shift-Equipment Branch

The Union agrees in principle to the Employer's demand for the establishment of a partial rotating shift in the Equipment Branch, subject to further discussions with representatives of the Engineering Department concerning the method of implementation.

APPENDIX "A"

This is the Appendix referred to in
Section 21 of Schedule "D", Part I

Principles Governing the Conversion of Employee Fringe Benefits in Cases of Introduction or Renewal of Compressed Work Weeks

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' fringe benefits shall be converted as follows:

1. Basic annual working hours shall be calculated as 260.89 x daily working hours as per the 5-day week; e.g., 260.98 x 8 = 2087.12.
2. Basic annual public holiday hours shall be calculated as 12 x daily hours as per the 5-day week; e.g., 12 x 8 = 96 hours.
3. Account shall be taken of the difference in basic annual rest period allowances; e.g., 52.178 weeks x 5-days x 20 minutes (= 86.96 hours) in the case of the standard 5-day week; 52.178 x 4 x 20 minutes (= 69.57 hours) in the case of the 4-day week; and 52.178 x 4.5 x 20 minutes (= 78.27 hours) in the case of the 9-day fortnight.
4. Employees shall have at least two (2) of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
5. For the purposes of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph 8 herein.
6. Annual Vacation entitlement and all credits for Deferred Vacation, Supplementary Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph 8 herein.
7. Notwithstanding any Clause in a Collective Agreement to the contrary, an employee shall not receive pay for acting in a senior capacity where they have been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.
8. In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are

to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one (1) of the following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (a) Revert to a standard 5-day week in any week when a public holiday occurs;
 - (b) Change days off during any week when a public holiday occurs in order that each employee will work on four (4) days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work three (3) days in that week and five (5) days in the immediately preceding week.
 - (c) Have a compressed work day off with pay for each public holiday, and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
 - (d) Another mutually agreeable alternative provided that there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.
9. This is currently, as of the date of signing this agreement, 95% of the apprentice's regular weekly gross earnings.
 - (b) SUB is payable for a period during which an employee is not in receipt of EI income benefits if the only reason for non-receipt is that the claimant is serving a two week waiting period.

 - (d) The SUB Plan will be financed by the City's general revenues.

in the Equipment Branch, shall, subject to availability of work, be retained on staff in the branch for a maximum of six (6) months at the final step of the appropriate apprentice pay scale as provided in Schedule A; and after expiration of the said six (6) month period, shall be laid off per Clause 14 of the Collective Agreement.

 - (ii) this Schedule and the contracts of apprenticeship entered into pursuant to this Schedule shall be governed by the provisions of the SkilledTradesBC.
15. Where an apprentice is absent from work by reason of sickness or injury, the term of such apprentice's contract shall be extended accordingly, PROVIDED THAT such extension shall not exceed six (6) months in duration without the approval of the City Engineer.

Dear Mr. Davidson:

Re: Welding

The mechanics in the Garage are permitted to use oxyacetylene equipment for the purpose of affecting small repairs by brazing, soldering or cutting. The training of Heavy Duty Apprentices in simple welding and cutting techniques should be done by the Welding Shop as required.

The Body Shop is separate and apart from the Garage in this agreement as the use of welding techniques using oxyacetylene and electric equipment is inherent to body repair work.

LETTER OF UNDERSTANDING
JOB SHARING and REDUCED HOURS

The Employer and the Union agree that where a Regular Full-Time Employee wishes to reduce their hours or share their full-time position, that such agreements be mutually agreed upon using the following principles PROVIDED HOWEVER, that nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement, except as specifically provided herein:

1. General

(a) Job Sharing

Where a Regular Full-Time Employee occupying a regular full-time position wishes to share their position with another employee and has received formal approval from the Department Head, the employee shall be entitled to do so in accordance with the provisions of this Letter of Understanding.

(b) Reduced Hours

Where a Regular Full-Time Employee occupying a regular full-time position wishes to reduce the working hours of their position and has received formal approval from the Department Head, the employee shall be entitled to do so in accordance with the provisions of this Letter of Understanding.

2. Procedure

- (a)** A Regular Full-Time Employee shall apply in writing to their Department Head indicating the reason for the request including the hours and days of the week the employee wishes to work and/or share their position. And, if applicable, with whom the employee contemplates the job sharing arrangement. A copy of this request shall be forwarded to the General Manager, Human Resource Services and the Union.
- (b)** The employee with whom it is contemplated the position shall be shared must:
- (i)** be qualified to perform the duties and responsibilities of the position, and
 - (ii)** must not incur overtime as a result of working the shared position.
- (c)** Where an employee's request is approved and results in a reduction in hours worked or an acceptable job sharing arrangement, the General Manager, Human Resource Services shall provide each affected employee with a letter covering the terms and conditions of the arrangement signed by the Employer. The letter will be copied to the Union.
- (d)** Under normal circumstances, the regular daily and weekly hours of a position impacted by a Job Sharing arrangement shall remain unchanged as a result of the Job Sharing arrangement unless otherwise varied by the terms and conditions as provided by the letter referred to in paragraph (c) above.

- (e) Where an employee's request is denied, the Union may request a meeting with the Department Head and General Manager, Human Resource Services to discuss the matter.

3. Duration

- (a) Each Reduced Hours or Job Sharing arrangement shall be for a maximum period of one (1) year unless an extension is requested by the Regular Full-time employee and mutually agreed upon between the Employer and the employee.
- (b) A Reduced Hours or Job Sharing arrangement may be terminated earlier than expected by an employee who is a party to the arrangement or by the Employer provided thirty (30) calendar days' written notice has been served to the other parties, as applicable, unless otherwise provided for in the letter referred to in paragraph 2(c). Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be cut short as a result of an early cancellation.
- (c) Upon the expiry or termination of the Reduced Hours or Job Sharing arrangement, the Regular Full-Time Employee shall revert to working in their position on a full-time basis under the terms and conditions applicable to Regular Full-Time Employees unless some other Reduced Hours or Job Sharing arrangement has been agreed upon.

4. Employee Status and Working Conditions

- (a) A Regular Full-Time Employee in a Reduced Hours or Job Sharing arrangement shall continue to maintain the status of a Regular Full-Time Employee during the period of time covered by the arrangement and shall accumulate seniority in proportion to the scheduled hours compared to the full-time hours of the position. Such an employee shall be entitled to exercise bidding rights as a Regular Full-Time Employee and to use accumulated seniority for all applicable purposes including layoff, bumping and recall.
- (b) The general principles with respect to wage rates, employee benefit entitlements and premium payments for Regular Full-Time Employees in Reduced Hours or Job Sharing arrangements are as follows:
 - (i) Wages shall be paid in accordance with the ratio that the employee's scheduled weekly hours bear to the full-time hours of the position being reduced or shared.
 - (ii) Paid leave benefits, such as Vacation, Public Holidays, Disability and Gratuity shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being reduced or shared.
 - (iii) The employee's share of the premium payments for Health and Welfare benefits, such as Medical, Extended Health, Dental and Group Life shall increase proportionately as the number of scheduled weekly hours

decrease in relation to the full-time hours of the position being reduced or shared.

- (c) In accordance with the general principles outlined in paragraph 4(b), except as otherwise stated, the following shall apply to Regular Full-Time Employees:
- (i) **Vacation Entitlement**
The employee's annual vacation entitlement shall be prorated according to the number of weekly hours the employee is scheduled to work in comparison to the full-time hours of the position being reduced or shared. It is understood that the Employer shall not adjust the start date of the employee for the period of time spent in the Reduced Hours or Job Sharing arrangement and as such any future vacation entitlement shall not be delayed as a result of time spent in a Reduced Hours or Job Sharing arrangement.
 - (ii) **Supplementary Vacation**
Supplementary vacation shall not be prorated as a result of an employee participating in a Reduced Hours or Job Sharing arrangement.
 - (iii) **Public Holidays**
 - (1) Where an employee's normal hours of work are based on a five (5) day week, the employee shall take public holidays as they occur. The employee's public holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being reduced or shared.
 - (2) Where the employee has not received sufficient public holiday hours as part of their work schedule or been credited with sufficient hours as a result of the proration or made alternate arrangements to the satisfaction of the department to use public holiday hours to which they were entitled as a result of the proration, the employee's public holiday account shall be credited with the appropriate number of hours at year end.
 - (3) Where the employee has received an overage on the number of paid hours, the employee may be scheduled to work without pay to make up the equivalent number of overpaid hours. Where the Employer is not able to schedule work for the employee, arrangements shall be made to deduct the overage either from the employee's compensating time off account or from the employee's normal pay and such deduction is to be done at year end or at the expiry of the Reduced Hours or Job Sharing arrangement, whichever is the earlier.
 - (4) Shared positions based on the compressed work week of 4 days shall receive prorated public holiday pay as part of their pay cheque and therefore no adjustment is required.
 - (iv) **Extended Health, Dental and Group Life**
The Employer shall pay a prorated share of the premiums for the above-noted benefits based on the proportion of the employee's new scheduled hours compared to the full-time hours of the position being

reduced or shared and the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage.

An example of the calculation of the Employer's share is as follows:

Employer's share= $17.5 \text{ (scheduled hours)}/35 \text{ (normal full-time hours)} \times 75\% \text{ (employer's portion of premium)} = 37.5\% \text{ of premium}$

- (v) **Short, Medium, Long Term Disability**
For the period of the arrangement, the employee shall have disability paid on a prorated basis, calculated on the same proportionate basis as the employee's new scheduled hours bear to the full-time hours of the position being reduced or shared.
- (vi) **Gratuity**
For the period of the arrangement, the employee shall have gratuity days credited on a prorated basis, calculated on the same proportionate basis as the employee's new scheduled hours bear to the full-time hours of the position being reduced or shared.
- (vii) **Superannuation**
Where an employee is contributing to superannuation and enters a Reduced Hours or Job Sharing arrangement, the employee shall be required to continue making payments toward superannuation. The cost sharing arrangement shall continue on the same percentage basis applied to the reduced earnings.

5. Auxiliary and Regular Part-Time Employees

Auxiliary and/or Regular Part-Time Employees working Reduced Hours or sharing a portion of a Regular Full-Time position as a result of a Reduced hours or Job Sharing agreement shall continue to be treated in accordance with the applicable provisions of the Collective Agreement.

6. Termination

Either party may terminate this Letter of Understanding by providing at least thirty (30) calendar days' written notice to the other party during the thirty (30) calendar days immediately prior to the date of expiry of this Collective Agreement. Notwithstanding such cancellation, all Reduced Hours or Job Sharing arrangements in effect at the time of cancellation shall continue under the individual terms agreed upon.
