

CUPE LOCAL 1004 - 2026 ELECTIONS CANDIDATE FOR PRESIDENT

Bonnie Lynn Duncan

Real Work. Real Experience. Ready to Lead.

Bonnie Lynn Duncan for President

I'm an East Vancouver original who knows public service from the ground up. Over the past 30 years I've worked for the City of Vancouver Board of Parks and Recreation as an outside worker, showing up in all kinds of weather, doing difficult work that keeps the city running. It's work that I'm proud of.

I currently work at the PNE as a beverage cashier for concerts and sporting events which keeps me connected to people in my community. I've dedicated many years supporting members with challenges in the workplace as a trusted steward, safety rep and executive member.

I've helped negotiate multiple contracts that delivered wage improvements, benefit gains and better working conditions without concessions.

Please consider me for President. I will lead with honesty, transparency and calm judgement focused on what's best for all CUPE 1004 members. Let's get back to grassroots. Respect for each other, to keep our Local strong, moving forward together!

My first order of business would be to hold elections for bargaining committees for City, Parks, and PNE.

Thank you,
Bonnie Lynn Duncan
