

CUPE LOCAL 1004 - 2026 ELECTIONS CANDIDATE FOR VICE PRESIDENT

Greg Royle

I am committed to strong, fair, and transparent representation for all members. I would appreciate the opportunity to serve the members in a Vice President capacity and am eager to make a meaningful impact on behalf of the membership.

For those who may not know me, I bring over 19 years of experience as an outside worker in night-time sanitation, along with 6 years serving as a union representative. I understand the day-to-day realities members face and have a proven commitment to supporting colleagues and advocating for respectful, fair workplaces.

I believe in open communication, collaboration, and ensuring every member's voice is heard. I am ready to step into this role and work hard for you.
